READ WHAT IT HAS DONE. THE Physician may best afford to be quick may puff and praise the wonderful effects of his remedy; yet we holdly challenge any of them to produce as simple, safe and powerful a medicine as Dr. Wistar's Balsam of Wild Cherry, the famous remedy for CONSUMPTION, LIVER COMPLAINTS, COUGHS, COLDS, &c. READ THE FOLLOWING:—

Six—As you desired me to write and let you know if your Balsam relieved me, I take this opportunity to inform you that it has not only relieved me, but has almost cured me entirely. Before I had finished the second Bottle, I felt almost like a well man, and I feel better every day. My cough is stopped altogether. I had slept a great deal better than I have done for the last year. Indeed I feel so well I am sure I shall recover my health, and that too for a few dollars, after having spent half my earnings in the purchase of medicines that did me no good. I saw the Doctor in Lancaster a few days ago who gave me medicine last, he said I looked much better, but when I told him what I had taken he said, "I have never heard of it, but I hope I should get well." I shall come to Philadelphia in a week or two and will come to see you again. Respectfully, &c. GEORGE KREMER, CHESTER COUNTY, August 28, 1841.

To Dr. WISTAR. Dear Sir:—I give you my pleasure in informing you that my sister's health has improved very much since she has begun using your Balsam, and we have every reason to believe that she will recover her health completely. She has nearly used one Bottle. I purchase of you and wishing to procure more before she has used the last, I wish you to send me three Bottles of the Balsam by the bearer of the letter. Since she has been taking your medicine, she said for the first time she has been troubled with those distressing night sweats she was formerly subject to; coughs very little, rests better at night, and finds her sleep more refreshing than it has been for many months. She is also better spirits than we have seen her for a long time, and our physician thinks there is no doubt but she will recover her health permanently. Yours most respectfully, EDWARD HOLMES. Purchasers should be particular to ask for Dr. Wistar's Balsam of Wild Cherry as there is a Spurious of the same name.

CONSUMPTION CAN BE CURED. DR. WISTAR'S BALSAM OF WILD-CHERRY THE CELEBRATED REMEDY FOR DISEASES OF THE LUNGS.

BOLD as this assertion may appear, it is a truth that should be known and felt by all. Thousands are the victims of this distressing disease, and all are taught to believe they have no hope of cure, but in the grave. Has nature furnished us no remedy for this disease? We say yes, and will prove it true. In that simple tree, the Wild Cherry (Prunus Virginiana) we are furnished with a cure for this disease, and with all other diseases we possess. The physician may deny this, but the incredulous may doubt, yet its powerful virtues in this complaint are such as will convince the world that Consumption may and can be cured, even when life has been despaired of. We do not intend to insult an intelligent community by pretending it will either form a new cure, or cure every case on every stage of the disease; but we boldly assert, that it has effected more cures than all other remedies put together, and more many that was considered incurable. Such, indeed, are the surprising virtues of this medicine, that those who have used it, and who have been cured, and who are afflicted with consumption, give the Balsam of Wild Cherry a fair trial, and you will no doubt be fully paid for it.

Besides, its astonishing efficacy in consumption, it has also been used with universal success in LIVER COMPLAINTS, CHOLIC, COUGHS, ASTHMA, BRONCHITIS, COOPERS' CONSUMPTION, and cured many after every other remedy had failed. COUGHS & COLDS. ARE always cured by WISTAR'S BALSAM OF WILD-CHERRY, the celebrated remedy for Pulmonary diseases. This is the Season in which such complaints become most prevalent, it is the time when the early seeds of Consumption are often sown, and it is the season when the sudden changes of temperature, exposure to the inclemencies, &c., are exempt from them, but many times too highly and let them run on for weeks and even months, without the benefit of the consequences. REMEMBER, that neglected Coughs are always dangerous, and in nine cases out of ten the cause of that fearful disease Consumption. A cold, protracted, should be treated upon the least, a slight cough with pain in the breast will follow, next a difficulty of breathing, fishes of heat, cold shills, and finally all the symptoms of this distressing complaint. Thousands are hurried to the grave from the neglect of a cough. Be advised, then, and do not trifle with an enemy so long neglected, may be beyond the power of medicine. Buy a small bottle of this Balsam, and take it as you quick restores, but procure a Bottle of the Balsam of Wild Cherry immediately. It is a remedy that has stood the test of experience, cured thousands, and saved many from the grave. Buy a Bottle of it in the house and you will soon know its value. Price 50 Cents a Bottle. Sold in Pottsville by JOHN S. C. MARTIN, Agent for Schuylkill County. See other advertisements. September 25 30-11.

ANOTHER LIFE SAVED.

THAT fearful and destructive enemy to our health and happiness (Consumption) conquered at last. ALBANY, September 6, 1841.

To Dr. H. WISTAR. DEAR SIR:—In yours of the 28th instant you ask if your Balsam of Wild Cherry has proved successful in the case of the country in which I reside. I can safely assert there has never been any medicine introduced here that has received such universal approbation, and the demand for it increases daily.—Physicians generally appear to be strangely prejudiced in its favor and many of our first families are now trying it. In several cases that I have heard of, it has given great relief, and others have said they felt better entirely and confidently believed, and been cured. A very influential lady, residing a few miles out of town, who has been lingering with consumption for several years and tried all the celebrated remedies in vogue, she has only used three or four Bottles of your Balsam, and Mr. Howard informed me, a few days ago, that she was recovering rapidly, that her cough had ceased entirely and she could be cured, even when life had been despaired of. These I think are pretty strong proofs of its virtues, but I flatter myself before the winter over I shall be able to give you many other cases as few medicines can boast of. Yours Respectfully, THOMAS SUEPPARD. The genuine medicine is sold in Pottsville by JOHN S. C. MARTIN, Agent for Schuylkill County. See other advertisements. September 25 30-11.
