Respected Sir :--I was much pleased after my arrival in this country, to find that Dr. Bechre's valuable prep-aration, so long successfully used in many parts of Germany, is no v prepared by you. I have seen many wonderful cures made by it in the old country. Many persons, whose lungs were supposed to be almost en-tirely destroyed, and pronounced, incurable, have been restored to good health by it. I know where one case was beyond the hopes of ever recovering, and was for years helpites, and confined to bed without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Palmonary Preservative, and so fir cured as to be able to ride and walk about. A great many in-stances have been cured in the varicus Pulmonary af-fections and I myself have received great benefit from it, both here and in my own native country. I hope it it, both here and in my own native country. I hope it may be as successful in this country as it has been in Germany. When properly known no family will be without it. Yours, Signed,
