CROUP IN CHILDREN

MOTHERS, BE ON YOUR GUARD .- This is the LVE season when this destructive complaint attacks your interesting little children, often robs you of those you fondly duat on, and carries hundreds to the grave.fondly doat on, and carries hundreds to the grave.— Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seize, with a shi-vering, it grows restless, has fushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful Cougn that will surely terminate in convulsions or death unless something is imme-diately given to check it. In this complaint the "BAL-SAN OP WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a pre-cious remedy—mild, sate and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep it in the house and give it to them earfy; by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician. Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine had failed. nate in convulsions or death upless something is im

dicine had failed.

Sold in Pottsville by JOHN S. C. MARTIN. ries I can safely assert there has never been any medi-cine introduced here that has received such universal approbation, and the demand for it irrerases daily.— Physicians generally appear to be strangely preposses-ed in its favor and many of our first families are now trying it. In several cases that I have, heard from, it has given great relief, and others have said they feel antisfied it will cure them effectually. One case in par-ticular I would mention is, that of the wife of Mr. How-arci, a very influential family, residing a few miles out of town, who has been lingering with consumption for several years and tried all the celebrated remedies in rain She has only used three or four Bottles of your Balsam, and Mr Howard informed me, a few days ago, that she was recovering rapidly, that her cough nad ceased entirely and he confidently believed it had been the means of saving her life. These I think are pretty etting proofs of us virtues, but I flatter myself before the winter is over I shall be able to give you many oth-ers such as few medicines on poss of the two are ready there or four Bottles of your the means of saving her life.
