COUGHS & COLDS

ARE always cured by "WISTERS BALSAN OF WILD CHERRY." the celebrated remedy for Pulmorary

This is the Season when such complaints become most propolar to include become most prevalent, it is the time when he early seeds of "Consumption" are often innocentthe early seeds of "Consumption" are often innocently sown from what is usually termed a slight or simple Cold. Owing to the sudden charges of temperature, exposure to the imclemencies, &c., none are exempt from them, but many treat them too lightly and let them run on for weeks and even months without thinking of the consequences. Rentember, that neglected Colds are always dangerous, and in nine cases out of ten the sause of that fearful disease consumption. A cold produces a cough—it settles upon the breast, a hoarseness with pains in the breast will follow, next a difficulty of breathing, flushes of heat, cold chills, and finally all the symptons of this distressing complaint. Thousands are thus hurried to the grave from their own neglect Be advised, then, and do not trifle with an enemy so dangerous; it is easily cured if taken in time; but if too long neglected, may be beyond the power of medicine. If you value your if e or health, don't trust to any of the quark nostrums, but procase a Bottle of the Balsan or Wild Chemay immediately. It is a remedy that has ood the test of experience, cured thousands, and saved many from an early grave KERP A BOTTEE of it in the house and you will
