She died on Saturday, and there was not to be found in the miserable room where she breathed her last, even a decent sheet to lay her out in, or a cap to put upon her head. Her disease was consumplion, aggravated by the conduct of Philips.

MOST HORRIBLE MURDER- The Knowille (Tenn.) Register of the 20th, contains an accounof a most afrecious outrage perpetrated at Athenson the 18th. A Mr. McMahan left home on busi ness in the morning, leaving a negro boy about 18 years of age with Mrs. McMahan, her daughter H or 12 years of age, and a child about a year old. During the day the negro murdered Mrs. M. and her daughter by cutting their heads mearly off with an axe. The little child was not injured and was found fondling about his little murdered sister. The murderer had been heard of but not captured

A BRAVE GIRL.-A few nights since, some bur glars broke into the residence of a Mr. Gerow. in Ameliasburg, U. C. A young girl of the family followed them into the bed room of Mr. G., and sezing a gun fired it and scared the robbers, who fled, on of their party being seriously wounded.

COUGHS & COLDS

This is the Season when such complaints become most prevalent, it is the time when hearly seeds of "Consumption" are often innocently sown from what is usually termed a slight or simple Cold. Owing to the sudden changes of temperature, exposure to the imclemencies, &c. none are exempt exposure to the inclemencies, &c. nene are exempt from them, but many treat them too lightly and let them run on for weeks and even mouths without thinking of the consequences. Resignmen, that neglected Colles are always dangerous, and in nine cases out of ten the cause of that fearful disease consumption. A cold produces a cough—it settles upon the breast, a hoarseness with pains in the breast will follow, next a difficulty of breathing, flushes of heat, cold chills, and finally all the symptons of this distressing complaint. Thousands are thus hurried to the grave from their own neglect Be advised, then, and do not trifle with an enemy so dangerous; it is easily cured if taken in time; but if too long neglected, may be beyond the power of medicine. If you value your i e or health, don't trust to any of the quack nostrums, but procure a Boule of the Balsam of WILD CHERRY immediately. It is a remedy that has stood the test of experience, cured thousands, and saved many from an early grave.
