LIFE SAVED.

BY the extraordinary virtues of that unrivalled medi-cine, the , BAISAM OF WILD CITERRY," the well-known famous remedy for CONSUMPTION, AND LIVER COMPLAINT, COUCHS, COLDS, ASTHMA, BRONCHITIS,

DEAR SIR.-In yours of the 28th instant you ask if your BALSAM OF WILD CHERRY has proved successful

your BALSAM OF WILD CHERRY has proved successful in this part of the country. In answer to these inqui-ries I can safely assert there has never been any medi-cine introduced here that has received such universal approbation, and the demand for it increases daily.— Physicians generally appear to be strangely preposess-ed in its favor and many of 'our first families are now trying it. In several cases that I have heard from, it has given great relief, and others have said they feel satisfied it will cure them effectually. One case in par-ticular I would mention is, that of the wife of Mr. How-ard, a very influential family. residing a few miles out of town, who has been lingering with consumption for several years and tried all the celebrated remedies in vain. She has only used three or four Bottles of your Balsam, and Mr. Howard informed me, a few days ago,

vain. She has only used anree or four Bollies of your Balsam, and Mr. Howard informed me, a few days ago, that she was recovering rapidly, that her cough and ceased entirely and he continently believed it had been the means of saving her life. These I think are pretty strong proofs of its virtues, but I flatter myself before the winter is over I shall be able to give you many oth-ers such as few medicines can boast of.

WRIGHT'S Indian Vegetable Pills.

Of the North American College of Health. As ap pears by the following circumstances, are fast su perseding the use of all other Pills as a UNIVERSAL REMEDY, for the purification of the blood. and as. consequence, the eradication of DISEASE from the HUMAN SYSTEM.

THOMAS & JAMES BEATTY, AVING been duly appointed County Agent for the sale, 'n large or small quantities, of the named article, sugget the following as strong pre-sumptive proof, that the claim of this medicine to public confidence, is founded on unquestionable and we believe, unquestionable authority. Letter from Mr. Camfield, Travelling Agent for the United States.

Messrs. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight, successors to Keim & Stichter. Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, un-der these circumstances, and my business is to apprise you of the testimony which the gentleman to whom they refer have alrerdy given,—four of them prior to the reterence, and one, Mr. G. H. Miller, since the reference, but without being informed of

it by me, or in any manner alluding to it. STICHTER & M'KNGHT, ( as successors to Keim & Stichter, Reading. ) having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to supply the demanda of former agencies, and will be by the appointment and supply of new ones, on the usual liberal terms. "For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in marker. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate article." To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan, 26, took of me on commission, 6 doz. Since that time, he pur-chased of K. & S. Reading 6 dozen, and on the 4th inst took 6 dozen of me, stating, that he never had a medicine which brought back so good a report. nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whether my veracity can be impeached and at the same time learn what other pills, he sells or has sold. Mr. G. H. Miller, late of Brickensville, had requested me to appoint him an agent for, Womelsforf, because he well know the value of the article April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf, new article, and bought 2 dozen more. This statement is similar to the foregoing. To Mr. M'Kinty, one dozen were sent at a ven-ture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no medicine with which he is acquainted has as good a name and so ready a sale, Peter Kline, Post Master, has sold to a man who has the white swelling, probably -near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now Strange it is that persons who attend strictly to that he is personaded to persevere, I am fully persua-the that he is personaded to persevere, I am fully persua-ded he will entirely recover. Samuel Heckler, Post Master, sells the other pills. for, of all the gitts of the Creatur. Perfectly free them-that tho' he had these less than 4 months, but states, that he finds 4 of these equal to 8 or 9 of and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has during reveral years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these I would add much general and particular informrtion, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the business in hand, the reference, I have paid the attention it seems to merit, and I thus leave it with the earnest desire that it may be read with candor, and produce the effect to which truth is always entitled.

CROWSING

MOTHERS, BE ON YOUR GUARD.-This is the season when this destructive complaint attacks your interesting little children, often robs you of those you fondly doat on, and carrice hundreds to the grave.— Every mother should, therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shi-vering, it grows restless, has flushes of heat, the eyes become red and swollen, it breathes with difficulty, and then comes that fearful Couch that will surely terminate in convulsions or death unless something is imme-diately given to check it. In this complaint the "BAL-SAM OF WILD CHERRY," is well known to be the SAM OF, WILD CHERRY," is well known to be the most speedy cure ever discovered. It is indeed a pre-cious remedy—mild, sate and innocent, and sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Every mother who loves her children should always keep it in the house and give it to the mediate defined. to them early; by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of that distinguished physician, Dr. Wistar, which has cured thousands of CROUP. WHOOPING COUGH. ASTHMA, CONSUMPTION, GC., after every other medicine had failed.

## HUMAN HAIR.

CLEANLINESS OF THE HEAD AND HAIR Strange it is that persoffs who attend strictly to Head-the Hair the most essential-the most expo sed—and the most beautiful when properly cared may it be kept of dandruff or scurf with a certainty that the hair cannot fall out, by the use of the Balm oj Columbia. A hundred articles have been put forth on the credit of this-the only first-the only really valuaole article. mass of testimony from all classes to these facts.

From the Boston Chronicle, June 10. WE see by un advertisement in another column that Messrs. Comstock & Co., the Agents for Oldridge's Balm of Columbia, have dep. uties to sell that article in Boston and elsewhere .-We know a lady of this city whose hair was so nearly gone as to expose entirely her phrenological developments, which, considering that they betokened a most amiable disposition, was not in reality very unfortunate. Nevertheless she monrned the loss of locks that she had worn, and, after a year's fruitless resort to miscalled restoratives, purchased. some months ago, a bottle or two of Oldridge's Balm, and she has now ringlets in rich profusion, glossy, and of raven blackness. We are not puffing-none of the commodity has been sent to us, and, indeed, we do not want any, for though we were obliged to wear a wig a year ago, we have now, through its wirtue, hair enough, and of a passable quality, o

notorious counterfeiter. Let it never be purchased or used unless it have the signature of COMSTOCK & CO. on a splendid wrapper. This is the only external test that will secure the public from deception.
