DR. LEICY, at Philadelphia.

Respected Sir:—I was much pleased after my arrival in this country, to find that Dr. Bechter's valuable preparation, so long successfully used in many parts of Germany, is no w prepared by you. I have seen many wonderful cures made by it in the old country. Many persons whose lungs were supposed to be almost envaluable medicine. persons whose lungs were supposed to be almost en-tirely destroyed, and pronounced incurable, have been' restored to good health by it. I know where one case was beyond the hopes of ever recovering, and, was for years helpless, and confined to bed without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so fir cured as to be able to ride and walk about. A great many in-stances have been cured in the varieties Pulmonary af-

The above medicine has proved itself one of the most

a small portion of the testimony that might be adduced in proof of its efficacy.

Throughout Germany it is used and employed more than any other preparation for Colds, &c., and there so well known for its efficacy, that they call it the "LIFE PRESERVER."

Dear Sir:—I should consider it ungrateful, if I did-not inform you (and with my consent allow you to pub-lish this,) that after having tried by the recommendation of my friends, almost every kind of medicine for coughs, colds, &c., I never found relief until lately having used Dr. Bechter's Pulmonary Preservative, recommended to me by your agent, in this place, and which cured me of a violent cough, spitting of blood, pain in my breast, and shortness of breath, with all of which I have been acfilited for two carrenast. acfilited for two years past. I am now however enjoying as good health as ever, and owe my recovery to the above
