ARE always cured by "Wisters Balsam of Wild Cherry." the celebrated remedy for Pulmorary

This is the Season when such complaints This is the Season when such complaints become most prevalent, it is the time when the early seeds of "Consumption" are often innocently sown from what is usually termed a dight or simple Cold. Owing to the sudden changes of temperature, exposure to the inclemencies, &c., none are exempt from them, but many treat them too lightly and let them run on for weeks and even months without thinking of the consequences. Remember, that neglected Cold are always dangerous, and in hine cases out of ten the cause of that fearful disease consumption. A cold produces a cough—it settles upon the breast, a hoarseness with pains in the breast will follow, next a difficulty of breathing, flushes of heat, cold chills, and flushy all the symptons of this distressing complaint. Thousands are thus hurried to the grave from their own neglect Be advised, then, and do not trifle with an enemy so dangerous; it is easily cured if taken in time; but if too long neglected, may be beyond the power of medicine. If you value your if or health, don't trust to any of the quack nostrums, but procure a Bottle of the Balsam of WILD Cherry immediately. It is a remedy that has smod the test of experience, cured thousands, and saved many from an early grave. many from an early grave.

BY the extraordinary virtues of that urrivalled medicine, the "Balsan of Wild Cherry," the well-known famous remedy for Consumption, and Liver Complaint, Coughs, Colds. Asthma, Bronchitis. CROUP, WHOOPING COUGH, &c.

ALBANY, September 6, 1841,

To Dr. H. Wistar

Dear Sir.—In yours of the 28th instant you ask if your Balsant of Wild Cherry. In answer to these inquiries I can safely assert there has never been any medicine introduced here that has received such universal approbation, and the demand for it ircreases daily—Physicians generally appear to be strangely prepossessed in its favor and many of our first families are now trying it. In several cases that I have heard from, it has given great relief, and others have said they feel satisfied it will care them effectually. One case in particular I would mention is, that of the wife of Mr. Howard, a very influential family, residing a few miles out To Dr. H. WISTAR ard, a very influential family, residing a few miles out of town, who has been lingering with consumption for several years and tried all the celebrated remedies in several years and, tried all the celebrated remedies in vain. She has only used three or four Bottles of your Balsam, and Mr Howard informed me, a few days ago, that she was recovering rapidly, that her cough nad ceased entirely and he confidently believed it had been the means of saving her life. These I think are pretty strong proofs of its virtues, but I flatter myself before the winter is over I shall be able to give you many others such as few medicines can boast of.

HUMAN HAIR. CLEANLINESS OF THE HEAD AND HAIR ersonal cleanliness, baths, &c. should neglect the Head-the Hair the most essential-the most expo sed—and the most beautiful when properly cared for, of all the gilts of the Creatur. Perfectly free may it be kept of dandruff or scurf with a certainty that the hair cannot fall out, by the use of the Balm or Columbia. Ladies, will you make your toilet ithout this article? I answer fearlessly, No, 11 you have once tried and experienced its purifying effects-its sweet perfume.

A hundred articles have been put forth on the credit of this—the only first—the only really valua-ble article. mass of testimony from all classes to these facts.

From the Boston Chronicle, June 10.

WE see by an advertisement in another column that Massrs. Comstock & Co., the Agents for Oldridge's Balm of Columbia, have dep. uties to sell that article in Boston and elsewhere.— We know a lady of this city whose here was so nearly gone as to expose entirely her phrenological developements, which, considering that they betokened a most amiable disposition, was not in reality very unfortunate. Nevertheless the mourned the loss of locks that she had worn, and, after a year's fruitless resort to miscalled restoratives, purchased, some months'ago, a bottle or two of Oldridge's Balm. and she has now ringlets in rich profusion, glossy, and of raven blackness. We are not puffing—none of the commodity has been sent to us, and, indeed we do not want any, for though we were obliged to wear a wig a year ago, we have now, through its virtue, hair enough, and of a passable quality, o

THOMAS & JAMES BEATTY, AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong presumptive proof, that the claim of this medicire to public confidence, is founded on unquestionable and we believe, unquestionable authority. Letter from Mr. Camfield, Travelling Agent for

the United States.
Messrs. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight, successors to Keim & Stichter, Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, under these circumstances, and my business is to apprise you of the testimony which the gentlemen to whom they refer have alrerdy given,—four of them prior to the reference, and one, Mr. G. H. Miller, since the reference, but without being informed of

STICHTER & M'KNGHT, (as successors to Keim & Stichter, Reading.) having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to supply the demands of former agencies, and will be gratified by the appointment and supply of new ones, on the usual liberal terms.
"For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long

enough to know their true value in comparison with any others now in marker. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate article." To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, he purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating, that he never had a medicine which brought back so good a report.

Miller, late of Brickensville, had requested me to appoint him an agent for Womelsdorf, because he well know the value of the article April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 hoxes, it being in Womelsdorf

nor one which had so ready a sale. As he is Post

Master, any person can easily and cheaply ascer-

a new article, and bought 2 dozen more. This statement is similar to the foregoing. To Mr. M'Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, I. left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no medicine with which he is acquainted has as good

a name and so ready a sale. Peter Kline, Post Master, has sold to a man who has the white swelling probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now Strange it is that persons who attend strictly to that he is personaded to persevere, I am fully persons. ded he will entirely recover. Samuel Heckler, Post Master, sells the other pills,

hut states, that he finds 4 of these equal to 8 or 9 of them—that the he had these less than 4 months, and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort.
