Throughout Germany it is used and employed more than any other preparation for Colds, &c., and there so well known for its efficacy, that they call it the "TFE: PRESERVER."

did not inform you (and with my consent allow you

I know where one case was beyond the hopes of ever respectively and was far years helpless and confined covering, and was for years helpless, and confined to bed without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so fir cured as to be able to ride and walk about. A great many instances have been cured in the various Pulmonary affections, and I myself have received great benefit from it, both here and in my own native country. I hope it may be as successful in this country as it has been in Germany. When properly known no family will be with-

Letter from Mr. Camfield, Travelling Agent

for the United States,
Messrs. T & J. BEATTY. I herewith enclose for your service in the vay of advertising, the notice of Suchter & Me-Knight, successors to Kenn & Suchier, Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, under these circumstances, our difference of their fanguage, under these circumstances, and my business is to apprise you of the testimony which the gentlemen to whom they refer have already given, tour of them prior to the reterence, and one, Mr. G. H. Miller, since the reference, but without being informed of it by me, or in any manner alluding to it. SHORTER & M'KNORT, (as successors to Kenn

& Stienter, Reading ; having been duly appoint ed county agents for the excellent and superior medicine above named, are now prepared to supply the demands of former agencies, and will be gratified by the appointment and supply of new ones, on the usual liberal terms. "For the character of these pills, we refer with confidence, but without asked consent, to the todowing named gentlemen, who have sold them long enough to know their true value in comparison with any others now in marker -

Their relative location gives every facility to the inquirer who desires to obtain, either for sale use, a first rate article." To take them in consecutive order, then Mr. W. Porter, P. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating, that he never had a medicine which brought back so good a report, nor one which had so ready a -ale. As he is Post Master, any person can easily and cheaply ascertain whether my veracity can be impeached and at the same time learn what other pills, he sells or has sold. Mr. G. H. Miller, late of Brickensville, had requested me to appoint him on agent for Womstori, because he well knew the value of the article; April 20th he took of me 4 dozen, and on

the 24th mist, he had sold 26 boxes, it being in Womelsdorf, a new article, and bought 2 dozen To Mr. M'Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, 1 left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen, stating, as do the others, Asthma, Influenzi, Whooping Cough, Bron- that no medicine with which he is acquainted Peter Kline, Post Master, hus sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other rem.

has, and now that he is persoaded to persevere, I am fully persuaded he will entirely recover. Samuel Heckler, Post Master, sells the other pills, but states, that he finds 4 of these equal to 8 or 9 of them—that the he had these less than 4: months, and the others several years, of these ne now sells about 10 boxes where he has a call for one of the other sort. He mentioned a wolman who has during 'everal years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these pills.
