REODE ISLAND AFFAIRS .- The Providence Journal, mentioning the election under the Peoples' Constitution which took place on Monday, remarks there was no excitement in the city, and none was heard of in the country. . The weather was quite unfovorable to enthusiasm, there being a cold drizzle all day. It seems that some difficulty was experienced in obtaining men to act as election officers, several candidates for the Assembly declined and the result was doubtless a damper to the suffrage pårty.
