There is a thing that follows me
Through sunshine and through shade;

A thing of gloom and mystery,
This this contentment fade; That bids contentment fade:
Through years of darkness, it hath out
Upon my heart a chill:
Unsted pois ner of the post;

I've gazed at beauty's beaming eye—
And met its ficulish glare!
I've mid in revel, wild and high—
Its taunting laugh was there!
I've locked myself in solitude—
Mid varied crowds I've sped—
In vain—that thrilling sound pursued,
The echo of its tread!

In flights of dark, unholy thought, I've wildly questioned fate: And when despair the answer brought,

In madness dared its hate!
With deaden'd pulse I feel depart
Fach hope I fondly nursed;
Men view me as the PROUD of heart. I wander the accurred! Cold drops me ever on my brow, Unsern I dread its class; Quick! let me fly! its with me now-In vain—I'm in its grasp;

"Ah! how d'ye do—John D. E—a writ!"

"Yes; sir—that's just the fact."

"Enough—I'll take the benefit
Of the Insolvent Act!"

Letier from Mr. Camfield, Travelling Agent for the United States.

Messrs. T. & J. BEATTY.

I herewith enclose for your service in the way of advertising, the notice of Stichler & Mc-Knight, successors to Keim & Stichter, Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the form of their language, under these circumstances, used in a single instance where it has not given and my business is to apprise you of the testimony which the genlemen to whom they refer have already given,—four of them prior to the inerence, and one, Mr. G. H. Miller, since the reference, but without being informed of it by me, or in any manner alluding to it. STICHTER & M'KNGHT, (as successors to Keim

& Stichter, Reading.) having been duly appoint ed county agents for the excellent and superior nedicine above named, are now prepared to supply the demands of former agencies, and wil be gratified by the appointment and supply to new ones, on the usual liberal terms.

"For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in marker.— Their relative location gives every facility to the inquirer who desires to obtain, either for sale

use, a first rate article," To take them in consecutive order, then Me night-to find the door bolted-to crosp in through C. W. Porter, P. M., Maiden Creek, Jan, 26. took of me on commission, 6 doz. Since that time, he purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating' that he never had a medicine which brought back so good a report, nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whe her veracity can be impeached and at the same time learn what other pills, he sells or has sold.

Mr. G. H. Miller, late of Brickensville, had requested me to appoint him an agent for Womdorf, because he well knew the value of the article: April 20th he took of me 4 dozer, and or the 24th inst. he had sold 26 boxes, it being in Womelsdorf, a new article, and bought 2 dozen

This statement is similar to the foregoing, To Mr. M'Kinty, one dozen were sent at a enture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th just he paid me for 7 dozen, stating, as do the others, that no medicine with which he is acquainted has as good a name and so ready a sale. Peter Kline, Post Master, has sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this

am fully persuaded he will entirely recover. Samuel Heckler, Post Master, sells the other ille, but states, that he finds 4 of these equal to months, and the others several years, of these he now sells about 10 bozes where he has a call for one of the other sort. He mentioned a worran who has during several years suffered by the rhoumat ism, and though other remedics had been invoked, she has not found any benefit, save in

I would add much general and particular information, but shall defer to a more convenient opportunity an exposition which must be interest ing to all who are liable to diseases. To the business in hand, the reference, I have paid the at-tention it seems to merit, and I thus leave it with he earnest desire that it may be read with candor, and produce the effect to which truth is al-

ways entitled. Respectfully,
R. CAMFIELD, Travelling Agt. United States. Pottsville. May 29 The following named gentlemen compose the list of agents for this county and vicinity, so far as they are at present received. Other names will be added as agents shall be appointed. T. & J. BEATTY, Pollsville.

A Wonderful Recovery. Mrs. S. E. Austin was attached with this disease in the fall of 1838, riginating from a violent cold which settled opon her lungs. Various remedies were resorted to—the most skilful physicians were consulted yet step by step that fearful disease, consumption began to prey upon her. She became subject to violent fits of cougling, expectorated large quantitles of matter and was evidently sinking very fact. In this discressing situation, after all the various remedies had been tried in vain, and when naught but the grave seemed to afford her any prospect of relief, the invaluable ligisar re-stored her to health; and now, in the place of that emaciated form, withering to decay, she is mingling in society, in better health and spirits than she has enjoyed for years. A Surprising Cure—Mrs. Martha Wilson. our but highly respectable member of the Meth odist church, was also afflicted with Consump-

tion in its worst forms, and considered past re-covery by all her friends. A bollle of this Balsal was presented to her, which relieved her, immediately. This circumstance being made known to the members of the church, they purhased several bottles for her, which relieved her entirely. The same society have purchased over forty bottles, for persons in indiligent cir-cumstances, and positively assert it has not been

surprising relief.

Of We, the undersigned members of the Der bin Benevolent Society of the Methodist church having examined the above statement of Mrs Wilson's case, hereby certify it is in all respects true, and earnestly recommend Dr. Wistar's remedy to all who are afflicted.

THOMAS COOMES, ELIZABETH JACOBS. Liver Complaint .- Mrs. Eliza Thompson was afflicted with this complaint for nearly five years during which time she was under the most skil fol physicians—had tried Mercury, Botanic, and Homocepathic remedies, and every thing that af-fored her any hopes of relief. She had dull, wandering pains in the side, sometimes in the houlder and small of the back, a hacking cough, requent pains in the breast, and has been una le to sleep on the right side for three years. By he use of this Balsam, she was cured in a few vechs, and remains well to this day.

ELIZA THOMPSON. Roxborough, September 12, 1841. Dear Sir-Please send me two bottles more of your Balsam of Wild Cherry, like that you sen me before. I have taken nearly all of the first, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Youst, respectfully, James Kelly.
Holmesburg, September 12, 1841. Friend Wister-I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all and can assure thee that it has done me more

Dear Doctor,-Hearing so many people talk bout the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your Agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams edy has rendered him any service, but that this of different kinds, have tried Javne's Expectotrant and other medicines besides, but nothing has ever done me as much good as yours has. PAINS IN THE BREAST, DEBILITY, WEARNESS AND Coron.-The Rev. Dr. Dunlap has addressed us letter in which he says two of his daughter had suffered severely with an obstinate cough frequent pains in the breast, &c, and appeared to be going into a rapid decline. By the use of a few bottles of this medicine they have entirely recovered and now enjoy excellent health.

Asthma Cured.-Mr. Jacob Enyder has au-

thorized us to say that he was afflicted with this annoying complaint for several years and had tried every thing in vain. He was subject to constant wheezing, a troublesome Congh, Spit-ting of Phlegm, Pain in the Chest, and sometimes in the region of the Heart, and nothing else ever gave him relief.

Chronic Cough .- Mr. Isane Rogers was also afflicted with an obstinate Cough, originating from a disease of the Lungs and Chest, and never found any thing to give him relief but this Bal-

Such indeed are the astonishing healing and restorative properties of this Balsam, that even in the advanced stages of consumption; and in Liver Complaints, diseases which have baffled the skill of the most distinguished physicians, when patients have suffered with the most dis tressing cough, great difficulty in breathing, night sweats, bleeding of the lungs, &c. ufter the most esteemed remedies of our Pharmacopias have failed, this invaluable remedy has not only given surprising relief but actually effected cures, after all hopes of a recovery had been entirely despaired of

Besides its surprising efficacy in these formi dable complaints, it has proved a very superior remedy for diseases of children, such as Croup Whooping Cough. &c , and in those disorders that prevail so extensively throughout the winter season, such as Coughe, Colds, Pleurisy, Influ enza, and Pains in the Breast, proceeding from neglected Colde, it stands unrivalled. The attacks are now very seldom, and disappear immediately after taking the quantity directed.
