In January last, I had been afflicted with an alarming Cough and Bleeding at the Lungs. for nearly five mouths, during which time I used every thing almost. recommended in similar cases, but found little or no relief. Having given up my bus iness entirely, and by the advise of Physicians made preparation to go South as soon as practicable, I was advised to make trial of the above truly valuable Medicine, and to my great surprise, found almost instant relief, and by asing only four bottles was entirely restored to health.
