EXTRAORDINARY CASE. Qиевес, May 8, 1837. sylvania, in the third circuit, to me directed, I shall expose to public-sale or Monday the 13th and Bone Limment," came to my knowledge a-bout two months since, through our friend Mr. Camp-bell, and I procured a bottle and had used it for about Philadelphia:

All those several parcels or tracts of land situate in Schnykill county, Pennsylvania, described and bounded as follows, to wit: A certain tract of Coal Land situate in Schnykill township, adjoining lands of Valley Furnace and other I and pointing to the last fourteen and a half years ever even made the attempt to stand; but my send dence was any great that they consented to assist confidence was so great that they consented to assist me from my bed. I found I could use my legs with apparent ease, but could not bear my weight on n feet. With support, however, I could place one for stuate in Norwegian, now Branch Township, adjoining lands of John Cresson and others, equationing two hundred and twenty acres in the whole tract.

Also an unplivided one fourth part of a Tract Also an undivided one-fourth part of a Tract of Land situate in Norwegian now-called Branch Township, containing three hundred and thirtywalked three time across the floor, again bearing a little weight at each time on my feet. I then used crutches for a few days, when my strength had become so far re-established, that I could cross the floor without the least aid. My advancement from this time has been almost incredible. I can walk two hundred yards and back with case, and my children, (the bed-rid are often blessed, like me, with near a dozen,) have been so overjoyed that they could scarcely cat or sleep, and Mrs. Corning seems to feel half a score of years younger herself. You will recollect how much bent together I was when you were last here. I have entirely overcome this. If I looked as odd as I felt when I began to walk, I would have been gazed at in astonishment. I have seen many off my old acquaintances, some of whom did not know me at all, and others would scarcely credit their senses, and would hardly have been more astonished, though one had "risen from the dead." I have now every confidence that I am a well man. I think this article, is the most extraordinary of any I ever heard dren, (the bed-rid are often blessed, like me, with article is the most extraordinary of any I ever heard f, and if it is not extensively made known to the

TO THE PUBLIC. We hereby certify that our son 6 years of age, was suddenly taken with a fever, and after a severe sickness a violent cough ensued.

He was blonted; his skin was filled, and his physician said there was no favorite symptom about him, that he had a confirmed consumption. At that time, we procured a bottle of that valuable medicine, T sylor's Balsam of Liverwort. After taking one bottle we began to have hopes of his recovery.
