with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in omparison with any others now in marker.-Their relative location gives every facility to the nquirer who desires to obtain, either for sale use, a first rate article."

To take them in consecutive order, then Mr. . W. Porter, P. M., Maiden Creek, Jan, 26, took of me on commission, 6 doz. Since that time, he purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating' that he never had a medicine which brought back so good a report, nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whe her my veracity can be impeached and at the same time learn what other pills, he sells or has sold.

Mr. G. H. Miller, late of Brickensville, had

requested me to appoint him an agent for Wom-elsdorf, because he well knew the value of the article; April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf, a new article, and bought 2 dozen

This statement is similar to the toregoing. To Mr. M'Kinty, one dozen were sent at a enture, perhaps in December. Jan. 25, I left im 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen, stating, as do the others, that no medicine with which he is acquainted has as good a name and so ready a sale. He mentioned a woman who has during several years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in

he use of these pills.

I would add much general and particular in formation, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the bu iness in hand, the reference, I have paid the attention it seems to merit, and I thus leave it with the earnest desire that it may be read with can-dor, and produce the effect to which truth is always entitled.
