WRIGHT'S IDIAN VEGETABLE PILLS,

Of the North American College of Health. 41 appears by the following circumstances, at fast superseding the use of all other Pills are UNIVERSAL REMEDY, for the purification of the blood, and as a consequence, the eradication of DIBEASE from the HUMAN SYSTEM.

THOMAS & JAMES BEATTY.

AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong presumptive proof, that the claim of this medicine to public confidence, is founded on unmedicine to public confidence, in counted on units medicine to public confidence, in counted on units the confidence in counter the counter of the confidence in counter the counter of the confidence in counter the counter of the c questionable and we believe, unquestionable au. Letter from Mr. Camfield, Travelling Agent

for the United States.
Mesars. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & Mc. Knight, successors to Keim & Stichter, Read.

ing, who are agents for Brandreth Pills, and ing, who are agents for Brandreth Pills, and perhaps for others. You will perceive the form of their language, under these circumstances, and my business is to apprise you of the testimony which the genlemen to whom they refer have already given,—four of them prior to the interence, and one, Mr. G. H. Miller, since the reference, but without being informed of it by me, or in any manner alluding to it.

Stichter, Reading, having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to are,

medicine above named, are now prepared to sup. ply the demands of former agencies, and mit be gratified by the appointment and supply to new ones, on the usual liberal terms. "For the character of these pills, we refer with confidence, but without asked consent, to he following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in market

Their relative location gives every facility to the inquirer who desires to obtain, either for sale or use, a first rate article."

To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, be purchased of K. & S. Reading 6 dozen, and on the 4th institook 6 dozen of me, stating that he never had a medicine which brought back so good a report, nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whe her my veracity can be impeached and at the same time learn what other pills, he sells or has sold. Mr. G. H. Miller, late of Brickensville, bad requested me to appoint him an agent for Wom-elsdorf, because he well knew the value of the

article; April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf, a new article, and bought 2 dozen This statement is similar to the foregoing. To Mr. M'Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen, stating, as do the others, that no medicine with which he is acquainted has as good a name and so ready a sale.

Peter Kline, Post Master, has sold to a man

who has the white swelling, probably near 60, whom I seen, and who states, that no other remdy has rendered him any service, but that this tas, and now that he is persuaded to persevere, I am fully persuaded he will entirely recover.

Samuel Heckler, Post Master, sells the other pills, but states, that he finds 4 of these equal to Bor 9 of them—that the he had these less than months, and the others several years, of these ne now sells about 10 bozes where he has a call for one of the other sort. He mentioned a woman who has during several years suffered by the rheumatism, and though other remedies had been invoked, she has not found, any benefit, save in

the use of these pills.

I would add much general and particular in: formation, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the business in hand, the reference, I have paid the st. tention it seems to merit, and I thus leave it with the earnest desire that it may be read with con dor, and produce the effect to which truth is al

ways entitled. Respectfully,
R. CA i FIELD Travelling Agt. United State-Pottsville, May 29 The following named gentlemen compose the list of agents for this county and vicinity, so far as they are at present received. Other names will be added as agents shall be appointed.
