Thompson, Jacob Thompson, Tripfett, Turney, Underwood, Warren, Washington. Watterson, Weller, James W. Williams, Christopher H. Williams, Wise, and Wood-103. So the bill was passed.

Among the yeas are 82 democratic whice. 20 Locofocos, and 3 Tyler men .-- Of the Locos who voted for the bill, ten were from New York, nine from this State, and one from Massachusettsnot one from any other State. Among the nays are 65 Locofocos, 35 Demo

cratic Whigs, and 3 Tyler men. At least twenty of the Whigs who voted against the Bill, did so because they could not consent to prostrate Congress at the feet of John Tyler, by surrendering the Land Bill. .

After the Land Bill was surrendered, it ap pears that only 20 of the Locofocos voted for the Rill - This shows that the Distribution Bill was not the cause of their hostility to the Bill.

The general supposition is that the bill will pase the Senate ; and we sincerely hope that such will be the result. We cannot help but admire the stern devotedness with which the members in Congress have struggled for the interests of the 17 00

"We caution 'our readers not to place too muc reliance on the opinion of our correspondents, that this bill will be carried through the Senate. We

FATAL ACCIDENT -We regret to notice the ccurrence of a serious accident, which took place the H. that news had been received at Galveston: at Crosland & Christ's mines on Friday last, in consequence of which two miners Peter Weaver and William Smith were killed. We learn that it was owing mainly to carelessness on the part of the workmen, in working the gangway too far without propping. Mr. Weaver was mining alone when a large quantity of alate fell crushing him horribly. William Smith and Reese Davis were ndeavoring to extricate him, when another fall took place, so injuring the former that he died soon

after. Mr. Davis, who was also much hurt, it is supposed will recover.

Mr. Peste's Exhibition of the Hydro Oxygen Dolphin arrived at Galveston on the 2d inst. from Microscope, has given very general satisfaction, and as it will be continued for some time longer, we would advise our friends to call. (See adverusement.) Mr. P. intends giving a series of Lecures on Chemistry and other scientific subjects, to commence upon the first of October. In consideration of the times, Mr. P. has reduced the price from \$5 to \$3 for the course. A subscription paper has been left at this office.

Pennsylvania has a debt of forty million of dollars-owes domestic creditors upwards of one million dollars, and could not pay the interest on the first interest-yet her Locofoco Senators and Representatives at Washington are voting to give away her proportion of the Land fund, and tax the people to the amount of her proportion annually. Is it not too bad? Have the people become simpletons and fools, by supporting such measures! Even under the Jackson reign every Locofoco from Pennsylvania voted in favor of of our beloved country; that for those principle

SALE OF THE PUBLIC WORKS .- The Whig party in various sections of the State appear to be taking strong ground in favor of disposing of the public works. We observe the following resolution smong the proceedings of one" of the Ward meetings, in Philadelphia, last week :

On motion, Resolved, That the Delegates just elected by this ward to serve in the City Conference, be requested to vote for and use their best exertions to place in-nomination for members of

Assembly, men who are known to be in favor of selling the State Works. The Tax Payers are tired of the vice, corrup tion and extravagance which has been tolerated

left undone those things which we ought to for a separation of the improvement system from have done, and we have done those thing which State politics. The Philadelphia Inquirer approves of this course, and remarks-The truth is, before the meeting of the last Legislature, the peo, ple of the interior expressed themselves in the most unequivocal manner upon this subject .---

They not only said distinctly that they were in favor of the disposal of the public works of the Commonwcalth, but they avowed a determination knees, (probably a very unusual posture with the to submit to no further taxation, unless the improvements should cease to he a source of corruption to the Executive, and of expense to the peaple. For reasons best known to the members, however, nothing was done. The wishes of the peoplo were violated, the State was dishonored by a neglect to pay her debts, and the public works were permitted to romain under the control of the State authorities, and thus to be employed for political purposes. Under these circumstances, it

becomes the duty of the citizens of this common

wealth to instruct their representatives in the next Legislature. The State Debt, already enormous, will continue to increase, unless the public works or onerous and oppressive taxation .- Vil, Rec.

"POVERTE-CRIME.-Yesterday, a poor man
