WRIGHT'S INDIAN VEGETABLE PILLS.—Of the North American College of Health. This extraordinary medicine is founded upon the principle that the human frame is subject to only two diseases, viz. Corruption of Humors, or in other words, the accumulation of impurities in the blood, and indigestion, which is the source of all diseases, and is intended in order to drive these of every description from the body.

The channels of our mighty rivers should be cleared, the accumulated impurities in the blood and new outlets, or the country be inundated—Just so with the human body; if the natural drains are closed, the accumulated impurities will most assuredly find vent in some form of disease or death to the individual.

WRIGHT'S INDIAN VEGETABLE PILLS are eminently calculated for carrying out this grand purifying principle, because they are a purgative medicine so justly balanced and mild, so natural, so gentle, so easy to take, and so sure to produce its effects, that it is used in such a manner as to produce free evacuations by the bowels, and in so doing, it will be entirely inappreciable for pain or distress of any kind to continue in the body.

A single twenty five cent box of the above named "Vegetable Pills" will all the ailments of the bowels, sometimes even beyond the power of words to describe, and if persevered in for a short time, there is not a malady in the whole course of human life that is not cured by their use.

WRIGHT'S INDIAN VEGETABLE PILLS are a certain cure for Constiveness. Because they cleanse the stomach and bowels from those bilious and corrupt humors which paralyze and weaken the digestive organs, and are the cause of head-ache, nausea, and indigestion, and of the heart, rheumatic pains in various parts of the body, and many other unpleasant symptoms.

In all disordered motions of the blood, called Intermittent, Remittent, Nervous, Inflammation, and Purid Fevers. Wright's Indian Vegetable Pills will be found a certain remedy; because they cleanse the stomach and bowels from all bilious humors and purify the blood, and in so doing, they remove every kind of fever.

When morbid humors are deposited upon the membrane and muscle, causing those pains inflammation and swelling, called GOUT, GRAVEL, and RHEUMATISM. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, will assuredly, and without fail, make a permanent cure of the above named ailments.
