Urge me no more! I must not wed One who is poor; so hold your prattle, My lips on love have ne'er been fed, With poverty i cannot buttle; My choice is made-I know I'm right.

Who wed for love, starvation suffer, So will I study day and night, To please and wed a rich old BUFFER. Romance is very fine, I own. Reality is vastly better.

I'm twenty-past-romance is flown-To Cupid I'm no longer debtor. Wealth, power, and rank, I ask no more, Let the world frown, with these I'll rough her Give me an equipage and four, Blood hays, a page, and-rich oud suffer.

My opera-box shall be my court. Myself the sovereign of the w There moustached loungers shall resort,
Whilst Eissler o'er the stage is akimutug. If any rival dare dispute The palm of ton, my set shall huff her; I'll reign supreme, make envy mute,

When once I wed a rich old suffer. "The heart"-"the feelings"-pshaw! for nought They go, I grant, though quite enchanting valentines by school-girls wrought. Nonsense! by me they are not wanting, A note, and, as I live, a ring!
"Pity the sad suspense I suffer!" Alls right. I knew to book I'd bring Old Brown. I've caught A Rich old Suffes.

We were, a day or two since, very much amus ed in a hotel with a joke which Wyman, the ventriloquist, played on a countryman who had called for a julan. He had no sooner raised the glass to his lips than he thought he heard a dog at his heels-he turned around to look, but discovered nothing -the second attempt with the glass had the same effect, except that the supposed dog growled more savagely—the countryman stared more wildly than before, exclaiming, "What's that ?" A voice was heard from the glass, saying, "I'm rum, and rum in the devil." Down dropped the glass of rum, the countryman crying out, "By hoky, I'll not taste rum agein." We think that Wyman deserves a premium for his aid in the temperance cause.—Balt. Clin.

EXTRAORDINARY CASE. Quesec, May 8, 1837. DEAR SIR: -An article called Dr. Hewes "Nerve and Bone Liniment," came to my knowledge a-bout two months since, through our friend Mr. Camp-bell, and I procured a bottle and had used it for about bell, and I procured a bottle and had used it for about a week without any material change, until one morning I found myself under the exercise of very uncommon feelings, imagining that could I be helped up I could stand and walk, I requested my family to aid me, but they were unwilling I should trust myself on my feet, not having for the last fourteen and a half years ever even made the attempt to stand: but my sensitions was a great that the convenied to assist years ever even made the attempt to stand; but my confidence was so great that they consented to assist me from my bed. I found I could use my legs with apparent case, but could not bear my weight on my feet. With apport, however, I could place one foot before the other with a facility that astonished me and all around me. They led me twice across the room; I sat down with feelings of happiness that I my framelike an electric shock. My family surrounded me in tears of joy, and the excitement so completely overcome me that I fainted. The same day I walked three time across the flior, again bearing a little weight at each time on my feet. I then used crutches for a few days, when my strength had been almost incredible. I can walk two hundred yards and buck with case, and my children, (the bed-rid are often blessed. like me, with near a dozen,) have been so overjoyed that they could scarcely eat or sleep, and Mrs. Corning seems to feel half a score of years younger herself. You will receiled the sound and looked up to the ceiling while senses, and would hardly have been more astonished, though one had "risen from the dead," I have now every confidence that I am a well man. I think this article is the most extraordinary of any I ever heard of and if it is not extensively made known to the public, I think the proprietors are very culpable. If you know the persons in New York selling it, you had better show them this letter, and let them refer to you, or sublish the if you think it would sid the distraction.

From the Courier and Enquirer. It would be preposterous in a writer for the readers of such a Journal as the Courier, to address the r ers of such a Journal as the Courier, to address the reprejudices, passions or superstitions. Good common sense should, at least be possessed by the readers of this paper, and those possessed of such, and those only, do we care to attract. We will now assert, in the most unqualified terms, that an innocent remedy has been found, that will absolutely cure Rhemmatism, and stiffness of joints, if of twenty years' standing. The assertion is so broad, that it will hardly obtain credence, we are aware, unless supported by uncommon testimony. Now the testimony given to so many worthless quackeries is so abundant, that to discriminate between such, and real matter of fact testimony, is very difficult. To come at once at a point that can at once be appreciated, the proprietors have thindly, is very quantum. To come a note: a a point that can a to note be appreciated, the proprietors have resolved to give this remedy to the poor, and to cure those able to pay for it, before they ask pay, and then leave it to the sufferer to pay what he chooses. We entreat, therefore, sufferers to call at 71 Maiden Lane, entreat, therefore, sufferers to call at 71 Maiden Lane, for some drops (Indian Elixir) to be taken, and a Nerve and Bone Liniment to use outwardly; and if they will not, by one week's use, become more surprised and delighted that they ever expected, we will never again make such an assertion. Will invalids now suffer for the want of this mild, innocent, and all potentremedy? If they refuse it, we pity them indeed,—[N.Y. Cour. & Eng., Feb. 19, 1842.

From the above, parents and others having the care of children, will see the propriety of being in possession of a suitible remedy, against the deleterious effects of these enimies to the health and happiness of children. Merrick's Vernifuge has proved a persia, safe

INDIAN VEGETABLE PILLS.

Of the North American College of Health. This extraordinary medicine is founded upon the principle that the human frame is subject to GREY ONE DISEASE, viz. Wistar's Balsam of Wild Cherry. THE GREAT REMEDY,

OR CONSUMPTION and LIVER CHPLAINTS. ASTRMA, BRONCHITIS, CROUP IN CHILDREN, WHOOPING COUGH, PAINS OR WEAKNESS OF THE BREAST, CHRONIC, Coughs, and all diseases of the ulmonary Organs.

READ WHAT IT HAS DONE. A Wonderful Recovery .- Mrs. S. E. Austig was attacked with this disease in the fall of 1838; originating from a violent cold which settled up. on her lungs. Various remedies were resorted to-the most skilful physicians were consultedyet step by step that fearful disease, consumption began to prey upon her. She became subject to violent fits of congling, expectorated large quantities of matter and was evidently sinking very fast. In this distressing situation, after all the various remedies had been tried in vain, and when naught but the grave seemed to afford her any prospect of relief, the invaluable flatsam restored her to health; and flow, in the place of that emaciated form, withering to decay, she is mingling in society, in better health and spirits

than she has enjoyed for years. If See description of this interesting case in Dr. Wistar's Treatise on Coasumption. Disinterested Tratimony .- Having witnessed the surprising efficacy of Dr. Wistar's prepara. tion of Wild Cherry, in the case of Mrs. Austin, I cheerfully recommend it as a valuable remedy, and acknowledged his statement true and correct.

J. H. WALTERS, M. D.

New York, April 12, 1841.

A Surprising Cure—Mrs. Martha Wilson, a poor but highly respectable member of the Meth. odist church, was also afflicted with Consumption in its worst forms, and considered past recovery by all her friends. A bottle of this Bal-sal was presented to her, which relieved her imnediately. This direnmetance being made known to the members of the church, they purchased several bottles for her, which relieved her entirely. The same society have purchased over forty bottles, for persons in indiligent cir. cumstances, and positively assert it has not been used in a single instance where it has not given

surprising relief.

TWe, the undersigned, members of the Der. bin Benevolent Society of the Methodist church, having examined the above statement of Mrs Wilson's case, hereby certify it is in all respects true, and earnestly recommend Dr. Wistar's remedy to all who are afflicted.

George Miller, Mary Gardner, Thomas Cooms, Flizabeth Jacobs, Liver Complaint.—Mrs. Eliza Thompson was Micted with this complaint for nearly five years, during which time she was under the most skil. ul physicians-had tried Mercury, Botanic, and lomompathic remedies, and every thing that af. fored her any hopes of relief. She had dull, wandering pains in the side, sometimes in the shoulder and small of the back, a backing cough, trequent pains in the breast, and has been una-ble to sleep on the right side for three years. By the use of this Balsam, she was cured in a few

weeks, and remains well to this day.

ELIZA THOMPSON.

Roxborough, September 12, 1841. Dear Sir-Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that bas relieved me so much. It has stopped my rough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

James Kélly. Youst, respectfully, JAMES KELLY. Holmesburg, September 12, 1841. Friend Wistar-I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles ta all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send me by the stage as soon as possible, and oblige thy friend.

JACOB HOLLOWAY. and oblige thy friend. Jacob Hollowar.

Bristol, September 8, 1411. Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild

Cherry has made in Consumption, I sent to one of your Agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balkams of different kinds, have tried Javae's Expects rant and other medicines besides, but nothing has ever done me as much good as yours has. Send Pains in the Breast, Desility, Weakness and Cough.-The Rev. Dr. Dunlap has addressed us a letter in which he says two of his daughters

and suffered severely with an obstinate court frequent pains in the breast, &c., and appeared to be going into a rapid decline. By the use of a few bottles of this medicine they have entirely recovered and now enjoy excellent health.

Asthma Cured Mr. Jacob Snyder has authorized us to say that he was afflicted with this annoying complaint for several years and had tried every thing in vain. He was subject to constant wheezing, a troublesume Cough, Spitting of Phlegm, Pain in the Chest, and sometimes

gave him relief. Chronic Cough .- Mr. Isaac Rogers was also. afflicted with an obstinate Cough, originating rom a disease of the Lungs and Chest, and never found any thing to give him relief but this Bal-

Such in fact is the nature and simplicity of this medicine, and so extraordinary have been many of the cures it has performed, that it has already attained the highest reputation, and although scarce two years have elapsed since it was first made public, we can proudly say, its fame has apread in every direction, and it is rapidly acquiring a celebrity unequalled by any inedicine ever offered to public notice.

DRUGGISTS AND DEALERS In every section of the country, will find this medicine an important and valuable addition to

their suck, and should
ALWAYS KEEP IT ON HAND, As it is not in our power to place it within the reach of all those afflicted, and there are doubtless; thousand suffering who would resort to it for relief if they could obtain it conveniently.
