It would be preposterous in a writer for the read is of such a Journal as the Courier, to address the. ers of such a Journal as the Courier, to storess they prejudices, passions or superstitions. Good common scose should at least be possessed by the readers of this paper, and those possessed of such, and those only, do we care to attract. We will now assert, in the most unqualified terms, that an innocent remedy has been found, that will absolutely cure Rheumatism, and stiffness of joints, if of twenty years' standing. The assertion is so broad, that it will hardly octain

redence; we are aware, unless supported by uncom-non testimony. Now the testimony given to so nany worthless quackeries is so abandant, that to dismany worthless quackeries is so abundant, that to discriminate between such, and real matter of fact testimoty, is very difficult. To come at once at a point that can at once be appreciated, the proprietors have resolved to give this remedy to the poor, and to cure those able to pay for it, before they ask pay, and then leave it to the sufferer to pay what be chooses. We entrest, therefore, sufferers to call at 71 Maiden Lane, for some drops (Iodian Elixir) to be taken, and a Nerve and Bone Liniment to use outwardly; and if they will not, by one week's use, become more supprised and delighted than they ever expected, we will nover again make such an assertion. Will invalids now suffer for the want of this mild, innocent, and all potent remedy! If they refuse it, we pity them indeed.—[A. V. Con., & Eng., Feb. 19, 1842.

WRIGHT'S INDIAN VEGETABLE PILLS WRIGHT'S INDIAN VEGETABLE PILLS
are eminently calculated for carrying out this grand
PURITYING PRINCIPLE, because they are a purgative
medicine so justly balanced and withal so catural
to the human constitution, that they cannot possibly
injure the most delicate; at the same time, if used in
such a manner as to produce free exacuations by the
bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to contime in the body. A single twenty five cent box of
the above named Indian Vegetable Pills will, in all
cases, give relief, sometimes even beyond the power
of words to describe, and if persevered in for a short
time, there is not a malady in the whole course of human ills that can possibly withstand their astonishing
and wonderful influence. Warden's Indian Vegetable Pills are a certain cure for BLE PILLS are a certain cure for

Those who labour within doors should remember

that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs, and at the same time owing to want of exercise, the bowels are not sufficiently evacuated, the blood becomes impure, and headache, indigestion, palpination of the heart, and many other disagreeable symtoms are sure to follow. Wistar's Balsam of Wild Cherry.

THE GREAT REMEDY, ROR Consumption and Liver Captaints, Astrina, Bronchitis, Croup in Children, WHOOPING COUGH, PAINS OR WEARRESS OF THE BREAST, CHRONIC, COUCHS, and all diseases of the Pulmonary Organs.

READ WHAT IT HAS DONE. A Wonderful Recovery .- Mrs. S. E. Austin was attacked with this discuse in the fall of 1838, originating from a violent cold which settled up. on her lungs. Various remedies were resorted to—the most skilful physicians were consulted yet step by step that fearful disease, consumption began to prey upon her. She became subject to violent fits of coughing, expectorated large quantities of matter and was evidently sinking very fast. In this distressing situation, after all the various remedies had been tried in vain, and when naught but the grave seemed to afford her any prospect of relief, the invaluable Balsam re-atored her to health; and now, in the place of that emaciated form, withering to decay, she is mingling in society, in botter health and spirits than she has enjoyed for years. A Surprising Cure—Mrs. Martha Wilson, a poor but highly respectable member of the Methodist church, was also afflicted with Consumption in its worst forms, and considered past recovery by all her friends. A bottle of this Balsal was presented to ner, which relieved her immediately. This circumstance being made known to the members of the church, they purchased agreent, bottles for her, which relieved her chased several bottles for her, which relieved her entirely. The same society have purchased over forty bottles, for persons in indiligent cir-cumstances, and positively assert it has not been used in a single instance where it has not given

We, the undersigned, members of the Der. bin Benevolent Society of the Methodist church, having examined the above statement of Mrs. Wilson's case, hereby certify it is in all respects true, and earnestly recommend Dr. Wister's remedy to all who are afflicted.

GEORGE MILLER, MARY GARDNER, THOMAS COOMES, ELIZABETH JACOBS. Liver Complaint .- Mrs. Eliza Thompson was afflicted with this complaint for nearly five years, during which time she was under the most skil-ful physicians—had tried Mercury, Botanic, and lumompathic remedies, and every thing that affored her any hopes of relief. She had dull, wandering pains in the side, sometimes in the shoulder and small of the back, a backing cough, frequent pains in the breast, and has been unable to sleep on the right side for three years. By the use of this Balsam, she was cured in a few

weeks, and remains well to this day.

ELIZA THOMPSON.

Roxborough, September 12, 1841. Dear Sir-Please send me two bottles more of your Balsam of Wild Cherry, like that you sent, ne before. I have taken nearly all of the lirst, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my sough entirely, checked my night sweats, and I sleep better at night and feel better in every way

than I have for many months.
Youst, respectfully,
Holmesburg, September 12, 1841. Friend Wistar-I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send me by the stage as soon as possible, and oblige thy friend. Jacon Holloway. Bristol, September 8, 1841. Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk

about the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your Agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sect soon, as I believe it will cure me too. I have used a great many balsams rant and other medicines besides, but nothing has ever done me as much good as yours has. WILLIAM THOMAS. PAINS IN THE BREAST, DEBILITY, WEAKNESS AND Congr. - The Rev. Dr. Dunlap has addressed us

a letter in which he says two of his daughters had suffered severely with an obstinate cough frequent pains in the breast, &c., and appeared to be going into a rapid decline. By the use of a few bottles of this medicine they have entirely recovered and now enjoy excellent health.

Asthma Cared.—Mr. Jacob Snyder has authorized us to say that he was afflicted with this

annoying complaint for several years and had tried every thing in vain. He was subject to constant wheezing, a troublesome Cough, Spit-ting of Phlegm, Pain in the Chest, and sometimes in the region of the Heart, and nothing else ever gave him relief.
Chronic Cough.—Mr. Isaac Rogers was also afflicted with an obstinate Cough, originating from a disease of the Lungs and Chest, and never found any thing to give him relief but this Bal-

sam. Such in fact is the nature and simplicity of this medicine, and so extraordinary have been many of the cures it has performed, that it has already attained the highest reputation, and although scarce two years have elapsed since it was first made public, we can proudly say, its fame has spread in every direction, and it is rapidly acquiring a celebrity unequalled by any medicine ever offered to public notice.
