THE MINERS' JOURNAL.

2----

worshipful pupil, the Honorable Middleton Ham, now our member of Congress, and by making Theodore one of the directors, besides giving him the law business of the Bank.

MARRIAGE IN CHINA .- It is stated by Dr. Morrison, that in some provinces in Chins, a pub lic notice is usued by wealthy parents to obtain a husband for their daughter; this is done by the affluent who are unwilling to part with their child, and who, therefore, bring their son-in-faw into their own family, instead of the usual practice of sending their daughter from home.

South CAROLINA SENATORS .- The South Carolina papers do not seem to be in a very good humor with their two new Senators, Messrs Mc Duffie and Hoger. A correspondent of the Charleston Mercury, Mr. Calhoun's organ, says Judge Huger will disappoint the expectations of Judge Huger will disappoint the expectations of bis friends, there being much abler men in the old Union party than he is, and the Columbia old Union party than he is, and the Columbia Chronicle thus discourses of Mr. McDuffie:

"What a position will Mr. McDuffie be placed in ! He returns to Washington to tear the laurels from his own brows; to obliterate, with palsied hand and feeb'e aim, the name, which in his palmy days, he had written for himself in the annals of legislation, to fight against himself and every principle (with the exception of the Tar-Iff) to which he is indebted for his reputation; and to batter down every monument of his for mer greatness ! "

PORGATION DECIDEDLY SUPERIOR TO BLEEDING. When the properties of BRANDRETH'S VEGETABLE UNIVERSAL PILLS have been appreciated, bleeding will no longer be thought of as a remedy for discusse. for in viol ent inflammation, eight or ten of them will take, in the course of two or three hours, more of the inverse humans from the being by this strength and impure humors from the body, by the stamech and bowels, than bleeding to the extent of forty ounces could possibly have done; and it should also be recould possibly have done; and it should also be re-membered that the Pills remove only those parts from the blood which were the cause of inflammation; whereas, bleeding removes the easential parts also --How great the prostration of the corporeal powers How great the prostation of the contrary, what agil-ity and strength is felt alter a dose of this medicine; The body is indeed lightened of a load. Nothing is equal to ridding the vitiated humors with a vegetable medicine of this kind, which eighty-four years have proved never to do injory, but always good. Is the pulse too high f A dose of these Pills will bring it down. is it too low f The same means will increase it to a proper standard. Is it tremulous, showing ner ement ? The Pills, by soothing the system vill allay it.
