With foyous life resounding;
Her very step is music—as
The street the crosses over,
For when I bears it, then I says "Ah! here's my Lucy Lover!"
Oh, Lucy Lover,
Sweet Lucy—Lucy Lover!

Her fair and sunny face with love
And mirthfulness is beaming;
Her lily hand's like snow-white glove,
Whose touch will set you dreaming;
Her eyes are size—none brighter thine
In Heavens blue arch above her;
And a little mabby nose divine.
Has chaming Lucy Lover!
Oh, Lucy Lover!
Sweet Lucy—Lucy Lover!

Her manners, simply frank and kind, And free from affectation. But chief her gifts of lofty mind She's a rich jowel, nobly set, And there were none above her,
If twere not, such a de uced coquelle,
Is naughty Lucy Lover!
Oh, Lucy Lover,

and Whig parties: "To our mind, it seems that the first of these parties may well be likened to the Winter brook, swelled by casual rains to more than its usual volume, spouting and rosting among the rocky fragments in its shallow bed, until its hoarse voice is heard above all other sounds; whilst the latter party more resembles the stream of the valley. whose stillness-and, we had almost said, whose sulleness-is the surest indication of depth and power sufficient to defy every attempt to bar its onward course to the ocean. We have never for a moment doubted that, when the time for the trial of strength shall come forth in its nower, and be found in the year eighteen hundred and forty, to bear down all opposition. Nor do we at this moment doubt that the power is in the Whig party, if they choose to make use of it, notwithstanding all that has passed, and all that is said and pretended, to elect from its own ranks a majority of the members of the next House of Representa-

BANES IN UHIO. - The Loco-Focos of Ohio are greatly distressed as to their proper course con-cerning Banks. One party adopt the thorough Bentonian Loco-Focoism—the genuine, hard-money doctrine, and go for the instant annihilation of every thing in the shape of a miniature monster. The other party, who call themselves Conservatives, admit and urge the necessity of a well regulated Banking System, and wish to re-form instead of destroying the paper currency of ly prices. Pottsville, December 3. 49-tf Cincinnati held a meeting at that city on the evening of the 28th, for the purpose of defining their position. Their call enraged the Destroctives, who issued a counter-handbill pretty broadly intimating an intention to vindicate their doctrines by a practical example that very night. The evening came—the meeting was organized Pickles and Sances, a general assortment.

This evening came—the meeting was organized Destructives offerred some counter-resolutions and proceeded to argue them in a speech—but he was out-shouted and forced to desist. The meeting then bruke up, but the Conservatives again then bruke up, but the Conservatives again the bruke up, but the Conservatives again the speech—but he conservatives again the speech and belong to the speech and t organized outside the house, and listened to a speech from Dr. Duncan, said to have been remarkably sensible and orthodox. Meantime, the fight went on merrily inside the house, where the Destructives had sole rule. Benches were destroyed, lamps crashed, windows broken, red McKinney's Select Laws of Pennsylvania, for pepper liberally thrown into the air whence it found its way into the eyes and noses of the crowd, and confusion reigned for the space of half an hour, when the meeting adjourned. The Chron-icle says that the tide throughout the State is fast turning in favor of paper currency—though at least half of the Loco-Foto party at the late election voted with a view to the immediate destruc-tion of Banks. WRIGHTS INDIAN VEGETABLE PILLS Of the North American College of Health.

Of the North American College of Health.

This entraordinary medicine in founded upon the principle that the human frame is subject to out you necessary, vis. Corrupt Humors, or in other words Impurity of the Blood, and nothing save regetable cleaning, is wanted in order to drive disease of every description from the body.

If the chansels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be immediated—Just so with the human body; if the natural drains become closed, the accumulated impurities will most assured by find vent in some form of disease or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS WRIGHT'S INDIAN VEGETABLE PILIS
see eminently calculated for carrying out this GRAND
FURLIFIED PRINCIPLE, because they are a purgative
medicine so justly balanced and withal so hatural
to the human constitution, that they cannot possibly
injure the most delicate; at the same time, it used in
such a manner as to produce free evacuations by the
howels, and repeated a few times, it will be absolute
by impossibla for pain or distress of any kind to con
time in the body. A single twenty five cent box of
the above named Indian Vegetable Pills will, in all
cases, giver relief, sometimes even beyond the power
of words to describe, and if, persevered in for a short
time, there is not a malady in the whole course of human ills that can possibly withstand their astonishing
and wonderful influence. Warght's indian VegetaBER PILIA are a certain cure for and wonderful influence. WRIGHT

Because they completely cleanse the stomach and bowels from those bilious and corrupt humors which paralyse and weaken the digestive organs, and are the cause of headache, nauses, and sickness, palpitation of the heart, rheumatic pains in vanous parts of the body, and many other unpleasant

FEVERS. Wright's Indian Vegenble Pills will be found a cer-rain remedy; because the cleanse the stomach and bowels from all billious humors and purify the blood; consequently, as they remove every kind of disease, they are absolutely certain to cure every kind

of fever.
So, also when morbid humors are deposited upon
the membrane audmuscle, causing thuse pains inflamation and swelling, called
RHEUMATISM, GOUT, &c., RHEUMATISM, GOUT, &c.,
Wright's Indian Vegetable Pills may be relied on as
always certain to give relief, and if persvered with,
will most assuredly, and without fail, make a perfect cure of the above painful maledies.—From three
to six of said Indian Vegetable Pills taken every night
or going to bed, will, in a short time, completely rid
the body from all morbid and corrupt humors; and
rheumatism; gout, and pain of every description, will
disappear, as if by magic.

For the same reason, when, from sudden changes
of the atmosphere, or any other cause, the perspiration is checked, and those humors which should pass
off by the skin, are thrown inwardly, causing headache,

tion is checked, and those humors which should pass off by the skin, are thrown inwardly, causing headache, nausea, and sickness, pain in the bones, watery and inflamed eyes, sore throat, hearteness, coughs, con sumption, rheumatic pains in various part of the body and many other symtoms of

CATCHING COLD, Wright's Indian Vegetable Pills will invariably give immediate relief. Three or four pills taken at night origing to bed, and repeated a few times, will remove all the above unpleasant syntoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing.

ASTHMA. Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phlegmy humors which stop the air cells of the lungs, and are the cause of the above dreadful com-

plaint.
It should also be remembered that WRIGHT'S
INDIAN VEGETABLE PILLS are certain to remove
pain in the side, oppression, nausea and sickness, loss
of appetite, costiveness, a vellow tinge of the skin
and every and every other symptoms of and eyer, and every other symptoms of LIVER COMPLAINT.

Because they purge from the body those corrupt and stagnant humours, which when deposited on the liver, are the cause of the above dangerous complaint. They are also to prevent

HOOVER'S INK. THE subscriber has made arrangements for the sale of this celebrated Ink, by the dozen or single Boitle, at Mr. Hower's wholesale and retail Philadelphia prices, and would respectfully invite all those in want of a good article to

call, and judge for themselves. The Departments at Washington, after lesting the different kinds of Ink manufactured, have decided in favor of Mr. Hoover's—and a supply for the enauing session of Congress has been engaged at his establishment. The following are selected from among the numerous certificates in favor of this lak :

From the Pennsulvanian. Hoover's Jee.—Good ink is a very good things, and like most good things, it is not very often to be met with; but we think we may from actual experiment, cordially recommend the writing ink made and sold by Mr. Joseph E. Hoover, No. 105 north Third street, as being a capital article. It flows freely from the pen—is transparent and without sediment, and has an excellent color. It is by far the best ink we have used for some time, and those who are particular in this mat-ter, cannot do better than furnish themselves-from Mr. Hoover's establishment. Their notions about ink must differ materially from ours, if they are not pleased and very much pleased with-

Testimony of M. A. Roor, Esq., Teacher of "After testing the various kinds of ink found." in this market during the last eight years, I am free to state that a thorough trial of Mr. J. E. Hooven's ink has induced me to use it in my writing Rooms, and the scholars under my charge, in preference to any other, as it does not corrode the steel pen, flows freely, has fine, permanent, black glossy lustre, is entirely free from sediment, does not mould or become thick; and,

in my own opinion, only needs to be known and tested, to be sought after and generally used.
