25 DAYS LATER FROM ENGLAND,

THE CALEDONIA ARRIVED. The Caledonia arrived at Boston, on Wednesday last, after a long and boisterous passage. The news is not of much importance.

A fire had occurred in Goodsman's fields, London, in which a number of persons were burnt

up. -4 -0 There are some fears of disturbance or revolution in France. The High Commissioners appointed by the Emperor of China, have tatified the Treaty with

A Locoroco Figur.-The following is from the Cincinnati Gazette's Columbus letter of the

Great Britain, by signing it.

10th inst: ... In the discussions, last evening, on bank re form, the bristles of the disputants were raised to the perpendicular-the blood boiled-some gave insolence to the tongue, and hard words produced bers of this republication are received; containing blows and a regular democratic fight. How the The Monastery and The Abbott--price twenty-five insolence to the tongue, and hard words produced quarrel originated I am not fully advised. It beran, however, with some angry talk between Whig and Mr. McNulty. The latter made o pass at the Whig, but the blow, being ill-directed, fell short of the mark, and the strength of the knight of Knox was wasted in beating the air. In the fracas, French, the door-keeper, came to the rescue or the aid of his friend McNulty. This brought Hotchkiss, of Cincinnati, into the melec. who pounced upon French with the full force of his brawny arm, and, in an instant-

"Down drop'd he stupid from the stunning wound : His feet extended, quivering, beat the ground; His mouth and nostrils spout a purple flood: His jexth, all shattered, rush inmixed with blood."

French is badly injured, and confined to his room. The clerk of the House discharges his duty as sergeant-at-arms. Hotchkiss and his antagonist are both brother democrats. No one will, of course, dispute that they have given an emi-

correspondent of the New Orleans Tropic, under date the 8th January says, by an arrival from Houston on the 1st inst., we learn that positive information has been received by letters and orally, that our army reached the Mexican town of Laredo on the 8th ult, and took pesession without firing e gun; the few Mexican troops flying at their approach. After taking the town a detachment crossed the Rio Grande and planted the Banner of the single Star on the West Bank. On the 10th, the army, numbering about 550, crossed the Rio Grande and marched for Guerro, a town about 60 miles below. But from they are degenerated or as long as you are sick. what we can learn there are but few Mexican troops this side of the mountains, and they dispersed throughout the valley. If this proves true, this little body will very probably reach the neighborhood of Matamoros unchecked; and it reinforced by that time, will immediately attack that city.

SUMMARY EXECUTION. -In Cooper's Nava! His tory in the report of the battle betwen the United States frigate Constellation, Captain Truxton, in 1779, and the French frigate Insurpente, which she captured in brief and masterly style-this

Early in the combat, one of the men fon board the Constellation] flinched from his gun, and he was instantly killed by the third Licutenant, to se division he belonged."

comment made. But it is known that the Lieutenant in question, was Mr. Sterritt, who afterwards, in command of the United States Schoonr. Experiment, performed many gallant feats in the Tripolitan war. It is also certain, as is believed, that no Court of Inquiry of any sort, was instituted into this proceeding .- U S Gazette.

MURDER.-New Orleans appears to be prolific of horrors this season. The following is the latest: Charles Leib will deliver the fifth lecture of the course An intemperate woman named Mary And before the members of the Institute, and the public on the above named subject, on Tuesday eve ing and Sr. Ferdinand streets, was found dead in her naxt the 31st inst, at 70 clock, at the lecture room. hed vesterday morning. Her neck was cut in several places, and many violent bruises were observable on her person, showing most plainly that she had come to her death by foul means. Her own husband, a man named James Hammond, was arrested vesterday upon the suspicion of having been her murderer, for in reply to a police officer who asked him why he had done such a harrible deed, he replied, " I killed her, d-n her because she would not give me liquor." Berides this monster, Bridget Conrad, Thomas Morr is and Francis Higgin, residents in the same house, were also committed to jail as being con-

The Senate of Illinois has passed resolutions drelaringit inexpedient either to have a tariff at all, or any direct taxation at this time!. The Cin. cinnati Chroni le thus notices the procedings, and gives, we should think, about the only rational solution, of which it is susceptible:

spirators and accessories in the affair.

"We must believe, as the only mode of reconciling these things with the human understanding. that the Legislature of Illinois are Millerites; and, as the end of the would occurs in 1843, there is no necessity for raising a revenue. Of course, if there is to be no tariff and no direct taxotion, there is no pay for office-holders, and the end of heriv, by Fourth street, north casterly, by fots civil government has come. We think now we | No. 140, south casterly, by said Third street, and have got the end of the demagagues."

NOVEL AND INTERESTING TEMPERANCE MEETing.-George Hall, Esq., President of the Parent Washington Society of Brooklyn, with two or three other officers of the Society, yesterday obdained permission to hold a temperance meeting on board the U. S. ship Independence, and upon roing on board at 10 A. M., found the cabin filled to overflowing with gallant tars, anxious to hear what was to be said upon the subject. Mr. Hall, Mr. Welsh and Mr. Whipple, of Washington, severally delivered addresses appropriate to the occasion, at the close of which one hundred and eighty seven of these noble sons of the ocean ledged themselves to total abstinence from all that can intoxicate.

Two men, a cock and a fireman of the Great Western steamer, on her late arrival in England, were arrested and severely punished for smuggling. The articles smuggled were segars, and not exceeding five pounds weight. They keep a sharper lookout for smuggling in England than we do. Their are several chaps in Yorkshire who drive their carriages on the profits of smnggling to the United States, and the names of these rogues are well known in New York and Philadelphia. - American.

Duez,-A duch was fought at Genoa, in November last, between Midshpipmen Beers and Cook, attached to the U.S. ship Columbus, which resulted in Beers being shot in the leg. The wound will not prove fatal, and the patient was doing well. The querrel originated during the reception on board the Columbus, of the Queen of Rail Roud, on the 12th inst., a large HOG. The Sardina. The parties have been suspended by the Commodore; and it is said will be sent home for

Hind Times.-In the town of Trenton, N. Y., a young man had concluded to be wedded to a miss of "sweet eighteen," The day was set, friends invited, and the clergyman called. After the nuntial yows were made, and the usual cere monies performed the bridegroom with much solemnity and dignity, stepped up to the reverend sir, and in a respectful tone said WSir, will you wait until fall, and take your pay in corn ?"

The following toust or sentiment has been on ing the rounds of the newspapers for some years but never was more appropriate then at this time HENRY CLAY,

The Great the Wise-the Virtuous, all they say; In time's dread progress, die and turn to Clay's dying Nation shall the comment give. She turns to Clay but turns to Clay to live.

WORKS OF NATURE -- In state of health the intest nal canal may be compared to a river whose waters flow ever the adjoining land, through the channels I attire or art has made, and improves their qualities; and to keep up the comparison of the river, so long as it ruins on smoothly the channels are kept pure and healthy; but if by some cause the course of the and healthy; but if by some cause the course of the river is stopped, then the water in the canals is no longer pure, but soon becomes stagnant. There is but one law of circulation in nature. When there is but one law of circulation in nature. When there is but one law of circulation in nature. When there is but one law of circulation in nature. When there is but one law of circulation in nature. When there is one law of circulation in nature, when there is the circulation in nature, when there is the circulation. To establish the free course of the time when the superior was the obstructions which stop its river was transported. the circulation. To establish the the course of the river, we must remove the obstructions which stop its free course, and those of its tributary streams. With the body, follow the same natural principle—remove, by that valueble purgative medicine called BEAND-RTH'S VEGSTABLE UNIVERSAL PILLS, which are an effectual assistant of nature, the superabundance of humors in the intestinal canal. By persevering in this practice, the ways of the circulation will then be restored to the full exercise of their natural functions and a state of health will be firmly establised. Remember, never suffer a drop of blood to be taken from you. Evacuate the humors as often and as long as Purchase in Pottsville, of Wm. Mortimer Jr., and of the agents published in another part of this paper.

. Deaths.

On the 16th inst., at the residence of of his step-fa-ther, Mr. Richard Stephnes, in West Brunswig town-ship, Samuel. Foltz. son of the late Dr. Foltz, aged 24 years, and 7 days, A Or the 19th, his mortal remains were interred with masonic honors, in the burial ground at McKeans-burg, followed by a large concourse of friends and relatives, on which occasion, the Rev. Mr. Geissenainer delivered u very appropriate funeral sermon. Peace to his ashes."

ROYAL COLLEGE OP SURGEONS, LONDON.

MISKIN'S PILLS. Medicine, prepared by W. MISKIN, Esq., Member of the Royal College of Surgeons, Licentiate of Apothecaries Company, Fellow of Bolt Court Society, Surgeon to the Royal Union Pension Association, Lancaster place, Waterloo Bridge; and Perpetual Pupil of Guay's and St. Hospitals, London.

These pills having gained a celebrity unparalelled in every section of the Union, are now considered by all those who value good health, indispensable as a family medicine—patronized by a numerous body of the most eminent Physician both in this country and in Europe,—is suffi-cient, it is presumed, to stamp their character in the estimation of every thinking man, and it is hoped, a far better recommendation than the course resorted to by ignorant and unprincipled pretenders, who to mislend and deceive the pubic, publish what they call practical proofs and certificates of Cures, that exceed all bounds o rational credibility, and most of which, if not all, are either gross fabrications, or procured by fraud

and connivance.

The editor of the Long Island farmer says—
"This medicine has obtained an unprecedented degree of well preserved popularity. Having tu ken these pills ourselves to advantage and witnersed their beneficial effects on others, we have no hesitation in recommending them to the pub lic as a safe, salutary and useful family medi

*. None are genuine without the signature of the General Agent on the label, by whom the above medicine is imported into this country.

JNO. HOLBEIN, 129 Waverly place, Gen'l Agent for U. S.

Testimonials in favor of Miskin's Pills from Wm. Crawshaw, Esq. the great Iron Master, who has in his employ upwards of 8000 men. Cyfarthfu Iron Works, April let, 1836. Dear Sir-While on a visit sometime ago at Switzerland Alderman Thompson's I had the honor of meeting our mutual friend Sir Aetley Cooper, and the Ontario after dinner conversation one day, turned upon the necessity of adopting some course for the bet- | Westminster ter preservation of the health of the numerous individuals employed in my works and other exten-

eive manufactories. thy evinced by working men in general to upply for medical assistance was most unaccountable though graciously administered to them, and as though graciously administered to though a remedy, he suggested that much good might be Quebec Philadelphia prepared medicine, (so that they might at all Switzerland times fave it on hand,) and he strongly recom- H. Hudson mended your Pills, from his knowledge of their Ontario composition, and great usefulness as a general

Onemy return home, I consulted. Dr. Russell, the apperintending Physician of my establishment on the subject; who entirely coincided with me with advantages likely to be derived from such course. I therefore requested him to anoly if you for a quantity, which you promptly orwaded, with the prescription, for which I beg you to except my thanks, and I now feel great pleasure in informing you that the experiment has exceeded our most sanguine expectations, in improving the general health of my men in great unbers in every department, the good effects fredicine, Dr. Russell informs me, has been igly satisfactory, particularly among those myoyed in mining, and on the Smelting and empoyed in mining, and; on the Smelling and Publing Furnaces, so well known as destructive man constitution.

Em glad to hear my neighbors of the Peny daran. Dowlais, and Plymouth works, are b my ecommendation using the medicine with the Cannot tax vone liberality by allowing Dr.

Rutel to avail himself of your prescription for my enclit, it would be an act of injustice, you will therefore please forward £500 worth, for while I enclose an order on my bankers. I am air, your chedient Servant, WILLIAM CRAWSHAW. 7 Wm. Miskin, Esq. London.

NOT Only 82 for a Map of the United States. MITCHELL'S NATIONAL MAP OF THE AMERICAN REPUBLIC, OR United States of North America, Together with Maps of Thirty two of the prin

cipal Cities and Towns in the Union. THE foregoing is the title of a new Map of the United States, recently published by the sub-scriber, which, for accuracy of Geographical detail, boldness and distinctness of Engraving, beauty of Paper and Printing, and richness of Colouring, will challange competition with any

similar production.
Surrounding the General Map, are Maps of Thirty-two of the principal Cities and Powns, with their Vicinities; and in the margin there is Table of all the Countres, in the United States nearly 1300 in number.) with their population ccording to the Census of 1840. The spwards of 4 feet in lenghth, and 31 in beigt It is mounted on Muslin, in the best manner

with a neat Roller and Moulding.
This National Map of the United States is sold invariably for the exceedingly small sum of Two Dollars, less than one-half the price hithertcharged for maps of the like size-forming, with out question, the cheapest work of the kind ever published in the United States of in the World and coming within the means of almost every

one, however limited his circumstances. The subscriber has employed in the Compile tion and Engenving of this Map, the best Artists in their respective departments in the country; and he is pursuaded that all who may examine it, will be satisfied that the distinctness of its Lettering, and the facility with which every Name in it may be read, are an essential improvement, in these important respects, on the Maps neually published.

The importance of an intimate arquintance with, and a correct knowledge of the coograph of our country, must be avident to every one.arranged Divisions—its mighty Rivers, ponoise ting by their countless tributarissi at a to remain test districts-its opporalished chain of Lako its extensive Mountein Banges, and ite long of Sen-Coast, can bee dequetely appreciated

by a reference to an acsurate and distinctly es graved Map.

The subscriber has made arrangements to only ply this county with the above Maps, at the pu. her's price, at his Book, Stationary and Period ical Store

EF Call and supply yourself before the edition is exhausted. Being the only large Map put lished since the Census of 1840, the demand i so great that we could only procure a few copie at present for this place.

PROSPECTUS OF THE SELECT LIBRARY

OF RELIGIOUS LITERATURES ONE of the distinguishing features of the day is the multiplication of cheap books. Publications of this kind have been hitherto confin-, with a few exceptions, to works entirely putacky in point of good morals or positively in-The subscriber proposes the publication of a Monthly Library, in which he will offer to the notice of the community a series of works of another character, which, from the high price at which they ere held, are almost scaled books, ex-

His orv of the Great Reformation in Germany and Switzerland. At this time, when the efforts of the Roman Catholic clergy to extend their religion, and as many believe civil away over one country, are so untiring, the general diffusion of this work cannot but be advantageous to the cause of civil and religious freedom. The histothan be discharged his task with singular fideli-ty and ability. The ever-varying scenes of that evenful period pass before the eye in the most vivid manner, producing effects as for surpassing in interest as in truth the highest efforte of dramatic skill. The character of Luther and the the other leading Reformers, as well as these of the champions of the church of Rome, are Revie-ted with a force that imparts to them the reality and beauty of the most musterly painting. They "live, move, and have a being," though centuries have elapsed since they played their part in the most eventul draws of modern ages. This work his the commendation of the Protestant clergy of both our own country and Earope, and has passed through several editions'even in its present costly form. It will be published in five monthly numbers, each containing 260 pages of the American book copy, and at one-sixth the price of the present edi first number will be issued about the middle of

January. The present work will be followed by others of a similar character. Price per number 15 cents; or, \$1 80 a year for the Library. BJAll orders must be post paid, and accomna nied by a remittance... t-musters are authorized to frank letters

containing remittances for periodicals. JAMES M. CAMPBELL.

Philad's., Jonuary 7, 1842 2-RECOMMENDATIONS. We take pleasure in commending the above work to the public as possessing all the advantogos set forth in the prospectur, and highly recommend its general circulation, John A Clark, Rector of St. Andrew's Church.
