CONSUMPTION OF THE LUNGS, ffections of the Liver, Asthma, Bronchitis, Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lunge, and all affections of the Pulmonary

NATURE'S OWN PRESCRIPTION. A compound Balsamio preparation of the Prunus Virginiana or "Wild Cherry Bark," combined with the Extract of Tar, prepared by a new chemical process, approved and recem-mended by the most distinguished physicians, and universally acknowleded the most valuable

medicine ever discovered. No Quackery!!! No Deception. In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are labouring under affliction, nor do we wish to eulogize it more than it justly deserves. Yet when we look around and see the vast a-mount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much

in its favour. Various remedies it is true have been offered. and puffed into notice for the cure of diseases of the Lungs, and some have no doubt been found very useful, but of all that have yet been discovered, it is admitted by physicians and all who have witnessed its effects, that none has proved as successful as this. Such indeed, are the

SURPRISING VIRTUES Of this Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedi s of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery

had been despaired of. In the first stages of the discase, termed " Catarrhal Consumption," originating from aeglected OOLD, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone. In that form of Consumption so prevalent amongst delicate young females, commonly termed debility, or

"GOING INTO A DECLINE," A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progens and invigorates the system more effectually than any medicine we have ever possessed. Besides its surprising efficiery in Consump-tion, it is equally efficacious in Liver Complaints, Asthma, Bronchitis, and all affections of the Lunge, and has cured many of the most obstinate cases, after every other remedy had failed. If For partiolars see Dr. Wistar's Treatise on

Consumption, to be had of the agents. The Extraordinary Success Attending the use of this medicine in discuses of the Lungs, and the many singular cures it has effected, having fully established its efficacy, and as we have already published numerous certificates from the highest authority, which prove its virtues beyond all doubt, we consider it unnecessary to exhibit a long list of them in this place, and will only mention a few cases, to show what it has done.

WHILE LIFE REMAINS WE HAVE STILL SOME HOPE. A Surraising Cunz.-Among the many sinular cures which this medicine has effected. there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin. This lativ had been consumptive for several years, and during the greater part of this time had received the best medical attention, and tri-The Down Freight Train will leave Reading of Tuesdays and Thursdays, at 8 A. While in this where it distressing situation, lipgering upon the very vassenger verge of the grave, she commenced the use of this Balsam, which to use her own expression, op-erated almost like a charm. In a few days she expectorated freely, the chugh was gradually suppressed, and every day appeared to add fresh vigour to her looks, and now, in the place of that emaciated form withering to decay, she is seen mingling in society, in botter health than she

DISINTERESTED TESTINON.—Having witnessed the surprising efficacy of Dr. Wistar's Balsam of Wild Cherry, in the case of Mrs. Austin, I cheerfully acknowledge the above statement to be true and correct.

J. C. WALTERS, M. D. LIVER COMPLAINT. - Mrs. Eliza Thompson was affected with this complaint for nearly five years, during which time she was under the most skil-ful physicians—had tried Mercury, Botanic, and

Homograthic remedies, and every thing that of-ferred her any hopes of relief. She had dull, wandering pains in the side, sometimes in the shoulder and small of the back, a lacking cough, frequent pains in the breast, and had been unable to sleep on the right side for three years. By the use of this Balsam, she was cured in a tew weeks, and remains well to this day. ELIZA THOMPSON. Woodstown, Sept. 4, 1841. Dear Sir :- Although your invaluable medi-cine has already found hundreds of powerful advocates, it may still be gratifying to you to reeive a communication from any one that has been relieved by it. Such, Sir, is truly my case. I have been a victim to that terrible disease Consumption, for many months, and have suffered so much, that I had become almost weary of my life. Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county.
Denr Sir,—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Reed, Esq., of this place, and tried it in a case of obsti-nate Asthma, on a child of Paul Schwebie, in

which many other remedies had been tried with-out any relief. The Balsam gave sudden relief, and in my opinion, the child is effectually cared Yours, &c... by its use. JACOB HOFFMAN, M. D. December 23d, 1841. Dear Sir,-Your Balsam of Wild Cherry has effected some astonishing cures here. One of which is an old lady, Mrs. Russell, who had been suffering for a long time with shortness of breath-
