WRIGHT'S INDIAN VEGETABLE PILLS, Of the North American College of Health. This extraordinary medicine is founded upon the principle that the human frame is subject to only one disease, viz. Corruption of Humors, or in other words Impurity of the Blood, and nothing else vegetable

WRIGHT'S INDIAN VEGETABLE PILLS are eminently calculated for carrying out this grand principle, because they are a purgative medicine, perfectly balanced, and wholly so natural to the human constitution, that they cannot possibly injure the most delicate, at the same time, the necessary evacuations by the bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to be felt

FEVERS, Wright's Indian Vegetable Pills will have a certain effect, because they cleanse the stomach and bowels from all bilious humors and purify the blood, consequently, as they remove every kind of disease, they are absolutely certain to cure every kind of fever.

REMEMBER THE POOL, Ma. Enron—I was sitting alone before a cheerful fire, in my comfortable little room at No. 74, Fourth street, and listening to the winds of a cold stormy night, when the following lines came into my mind. The first part was written 40 years ago, and the last after I had crawled into a sort of luxurious bed.
