WRIGHT'S INDIAN VEGETABLE PILLS. Of the North American College of Health.

This extraordinary medicine is founded upon the principle that the human frame is subject to only one precise, viz. Corrept Humors, or in other words Impurity of the Blood, and nothing save vegetable cleansing, is wanted in order to drive disease of every-description from the body.—

If the channels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be inundated—Just so with the human body; if the natural drains become closed, the accumulated impurities will most assuredly find vent in some form of disease or death will be a

wright's Indian vegetable Pills are eminently calculated for carrying out this GRAND PURIFYING PRINCIPLE, because they are a purgative medicine so justly halanced and withat so natural to the human constitution; that they cannot possibly injure the most delicate; at the same time, if used in injure the most delicate; at the same time, it used in such a manner as to produce free executions by the bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to continue in the body. A single twenty five cent box of the above named Indian Vegetable Pills will, in all cases, giver relief, sometimes even beyond the power of words to describe, and if persevered in for a short time, there is not a malady in the whole course of humans. man ills that can possibly withstand their astonishing and wonderful influence. Writing SINDIAN VEGLTA-BLE PILLS are a certain cure for

COSTIVENESS. Because they completely cleanse the stomach and bowels from those bilious and corrupt hamors which paralyse and weaken the digestive organs, and are the cause of headache, nausea, and sickness, palpitation of the heart, rheumatic pains in vaous parts of the body, and many other unpleasa

in all disordered motions of the Blood, called t, Remittent, Nervous, Inflammatory, and Putrid FEVERS.

Wright's Indian Vegetable Pills will be found a cer-rain remedy; because thy cleanse the stomach and bowels from all billious humors and purify the blood; consequently, as they remove every kind of disease, they are absolutely certain to curd every kind of fever. So, also when morbid humors are deposited upon

the membrane and muscle, causing those pains infla-mation and swelling, called RHEUMATISM, GOUT, &c., Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persvered with, will most assuredly, and without fail, make, a perfect cure of the above painful maladies.—From three to six of said Indian Vegetable Pills taken every night on going to bed, will, in a short time, completely rid the body from all morbid and corrupt humors; and

the body from all morbid and corrupt humors; and rheumatism, gout, and pain of every description, will disappear, as if by magic.

For the same reason, when, from sudder changes of the atmosphere, or any other cause, the perspiration is checked, and those humors which should pass off by the skin, are thrown inwardly, causing headache, nausea, and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseners, coughs, consumption, rheumatic pains in various part of the body, and many other syntoms of and many other symtoms of CATCHING COLD,

CATCHING COLD,
Wright's Indian Vegetable Pills will invariably give immediate relief. Three or four pills taken at right on going to bed, and repeated a few times, will remove all the above unpleasant symtoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing. ASTHMA.

Wright's indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phleging humors which stop the air cells of the lungs, and are the cause of the above dreadful complaint. It should also be remembered that WRIGHT'S INDIAN VEGETABLE PILLS are certain to remove pain in the side, oppression, nausea and sickness, loss of appetite, costiveness, a yellow tinge of the skin

d every other symptoms of LIVER COMPLAINT. Because they purge from the body, those corrupt and stagnant humours, which when deposited on the liver are the cause of the above dangerous complaint They are also to prevent

APOPLEXY AND SUDDEN DEATH.

Because they carry off those humburs which obstruc-ting the circulation, are the cause of a rush, or deter-mination of blood to the head; giddiness, especially on turning suddenly round, blindness, drowsiness, loss of memory, inflamation of the brain, insanity, and all disorders of the mind.

Those who labour, within doors about Those who labour within doors should remember that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs,

and at the same time owing to want of exercise, the bowels are not sufficiently evacuated, the blood becomes impure, and headache, indigestion, palpitation of the heart, and many other disagrecable symboms are sure to follow.

WRIGHT'S INDIAN VEGETABLE PILLS. direct purifier of the Blood, are certain not only to remove pain or distress of every kind from the body

remove pain or distress of every kind from the body, but if used occasionally, so as to keep the body free from those humours which are the cause of every malady incident to man, they will most assuredly promote such a just and equal circulation of the blood that those who lead a sedentary life, will be able to enjoy sound health, and discuse of any kind will be absolutely impossible.

CAUTIONS TO AGENTS.
