Connecticut Election .- The contest in this Sinte for State Officers and Members of Congress, has been very close. The whige have gained in the State, but not sufficient to change the political complexion of the Legislature. For State officers, it is believed that their is no alcotion. For Governor, Clearfield, Loccioco, leads Baldwin, Whig 343, which shows a gain for the whige of upwards of 800 since last spring. The contest for members of Congress is very

close in all the districts—and the result can scarcely be known in any until all the votes are canversed. The Legislature will be Locofoco, which will

secure the election of Locofoco State officers. RHODE ISLAND ELECTION.-The New York Courier and Enquirer gives the following as the vote up to 8 o'clock, P. M. in Providence, Greenwich and Kingston, and to 1 and 2 o'clock P. M.
