Sheriff Sheriff's Office, Orwigs- ? burg, July 1,2843 } 27--Refrigerators, Water Filters, and Water

OLIVER EVANS, No. 15 Chesnut street, near Front, would inform the public, he is now able after much experience, and in connection with the late improvement in their manufacture, to offer the above articles with a confidence in reir superiority to any he has yet made.

The Refrigerator for cooling and preserving all articles for culinary purposes, as well as water, &c., is lined with metal on the inside, and furnished with an interior Air Chamber, a simple but most effectual ventilator, by which Meats, S.c., are kept sweet and pure in the warmest of venuer.
The Water Filters can be placed in the Refri-

zerator so as to be used in connection, or separ-tely if desired, the whole forming a complete and appropriate piece of domestic furniture for a dining room, hall or kitchen—a very small quantity of Ics preserving and cooling the entire con-tents. The Filters are calculated for all seasons and chimates, making the most foul and brackish water as pure as the best of springs. They are a very valuable acquisition to a ship's cabin, as is proven by the many orders received from the Na-

by for them.
The Water Cooler and Filter are made express ly for Hotels, Public Buildings and Stores.

II Allorders for the South will meet atten tion and be packed to insure safe carriage.
