FOR THE MINERS' JOURNAL. THE GRAVES.

"I know not why—but standing thus by thee it seems as if I had thine innate knowledge, Thou tombs!"

The sun's last ray was tingling bright
The tree tops with its golden light;

Perchance we saw with mental eye,
The forms of those who there did lie;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

And then we saw them sorrowing o'er,
The birch or willow that we loved so dear;

THE TARIFF.

THE TARIFF—HOW IT WORKS.—The Whig Tariff has been in operation less than one year...

Just before the tariff was passed, Treasury Notes were selling at sixty-six cents for a dollar...

Had no change been made by the last Congress in the Tariff or duties, our country would now have been filled with foreign goods...

The time arrived, when, agreeably to promise, her laces were sent down, and the threat was begun to be put in execution...
