THE COVERING WHICH NATURE HAS DESTOWED ON THE HEAD of man, is one of the principal elements of human beauty. What can be less pleasant to look upon than a bald head? Even in the time of Propher Elisha, thou hald head? was considered the superlative of insult and reproach, and in modern days, the defect is usually concealed with jealous care. But how much better to remedy than to conceal it! A few bottles of Janne's Hair Tonic will, in almost all cases, render a wig unnecessary, by decceal it! A few bottles of JANNE'S HAIR TONIC will, in almost all cases, render a wig unnecessary, by decorating the bare scalp with a new growth of hair, if the hair is falling off, no matter from what cause, a few applications of JANNE'S HAIR TONIC will arrest the dilapidating process. These facts do not rest upon our "say so," but upon testimonials of unquestionable tespeciability.
