DANIEL H. STAGER, Clerk. Schovlkill Haven, July 29, TO FAMILIES. Rowand's [Improved] Tonic Mixture. THOSE who would have recourse to a Family Medicine for Fever and Ague, Dyspepsia and Nervous Weuknesses, should discriminate between the "thousand and one" remedies constant ly heralded forth to the public, and that almost universally successful prescription called Rowand's [Impraced] Tonic Mixture. A few remarks will serve to illustrate the dif-ference. In the first place, the operation of the Tonic Mixture in the cure of Fever and Ague is upon entirely new and peculiar, yet safer principles. Secondly: It not only promptly arreats the course of the chills, when punctually and persefunctions of the general system to a perfectly healthy state; when relapeds are no more liable to ensue that an attack of the disease in one who has never had it before. Thirdly ; The system, during the administration of the Improved Tonic

Mixture, springs up at once under its benign in-fluence, and gives forth an earnest of returning health and vigour. Fourthly: Producing more or less effect on the bowels, the cause of the disease passes off in the way most strongly indicated by nature. Fifthly, Its effects on the system are uniformly mild and safe, as well as effi-cient, and it is as well adapted to the feebles in: fant, simply by a modification of the dose, as to he most vigorous adult. The above medicine may be had in Pottsville at the Drug and Chemical store of JOHN S. C. MARTIN.
