Wath most assuredly, and without fail, make a performance of the above painful maladies. From three to six as all Indian Vegetable Pills taken every night of going to bed, will, in a short time, completely rid the body from all morbid and corrupt humors; and the body from all and framed eyes, snee throat; hoarsenees, coughs, con sumption, the matic, pains in various part of the body and many other symtoms of the body from all morbid and framed eyes, snee throat; hoarsenees; coughs, con sumptio

CATCHING COLD, Wright's Indian Vegetable Pills will invarial the immediate relief. Three or four pills taken at ught on going to bed, and repeated a few times, will remove all the above upplearant symtoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing, or 25 ASTHMA.

AS LIMA. Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phlegny humors which stop the air cells of the longs, and are the cause of the above dreadful com-plaint

HAVANNA, 24th August, 1843. BENJ. BINNAN, Esq.,

Dear Ser :- As the Natchez' stcamer leave this afternoon at 4, for New York, to undergo repairs, I avail of the opportunity to drop you a

day, the full developement of which as regarde spain, you no doult know ere this from England, which we look for from the same quarter, on the expected. No doubt long ere this the career le la Habana,' gave in its alcance' or afternioon received the previous day Ler the Spanish Brig the 13th July, from that place, and 1st from Ma. drid. I will not travel through the particulars,

as they are not of interest to you-the result eems to satisfy all parities here that his Lordship the Duke of Victoria,' y Regente de las Exponias may now say with Mr. Strap, the barber in Tom Jones-non sum qualis eram.' In his late proclamation, by our previous news, he made reference to Nupoleon dying on a lock, saying that he would not be like him; but would go to Bir-

cfonta, and bring those catalans ( those obstinate Spanish Yankees, as I call them ) to terms, and make them submit to low duties, such as would favour his friend John Bull. His buast

was generally considered unfortunate for him, as the knowing ones recollected the old adage about the barking dog-end it seems to have so resulted, and the dog cannot now bite for want of teeth. I give you the latter paragraph of the semi-official of yesterday, which coming in that paper. expresses the convictions, or belief of the Executive, as nothing is allowed to be published

without previous censorship, and thus we may take it as believed by these authorities : "According to appearances, and the concentration of the forces in Madrid, the question ap-

to be decided there W

ettishly in a chair. "I do wish me," she said, would not lecture one so. She is always talking about my being too

late. One would think father was a bank clerk. few lines, and give you our political news of the, she has such a regard to punctuality. Now for spite I'll not go to Signor Toricelli's till too late.' But when a few minutes had cooled her pastion, Sophia felt ashamed of her conduct, for she h proxima, when our regular mail, per steamer, was an impulsive rather than a bad girl, and began, to attire herself, resolved to be at Signor f Spain's Military Chieftsin, the Regent, has Toriselli's in time. Her delay, bowever, had been rminsted. The official of this place, El Diario | fatel. Though she almost ran through the streets she arrived too late, and the Signor, who made a supplement of resterday, the details of the news point of never waiting a minute had gone out. Sophy,' said her father to her a few days after-San Miguel, (or) Activo, from Barcelonia, up to | ward, there is nothing for me to do in town until Monday : so I have a notion of running into the country for the rest of the week. And luckily the

at the boat. John will attend you down.' Very well,' suid Sophis, delighted at the propo-

sal, I will be there in time.' She hastened up stairs to prepare berself, and, after packing her dresses, opened her little cashet to effect the jewels should wear. She took up two bracelets of different patterns, tried each of carriage, and with some misgivings sat forth. She them on, and held them in different lights, before | hed no difficulty in finding the misera le hovel to the could make up her mind which to take. Then which her lover had directed her, she was a long time in selecting three out of her d zen rings, the gifte of her fond parents and godbitterly.

her old hab to revived, she bocame as careless a

donning her bonnot and shawl she threw herself poor thing might perish for want of necessary medicines and care. I sent for wood to warm the

chamber and got a poor neighbor to sit up with her to-night ; but to-morrow she must have better help. Alas ! what misery exists in our city; and almost at our doors ! Yet how little we do o alleviate it."

Sophia listened with tears to this recital, and le the required promise. The lovers continued for a while to talk of the sufferer, and then gradually passed to pleasanter themes. In the indulgence of these we leave them.

The next morning the storm raged fiercer than ever. The wind howled along the street, the casement shouk, and the snow span and hissed in the tempest. Sophia had not forgotten her promise, but looking at her watch after breakfast and finding the hour early, she concluded to wait a while for the subsidence of the storm. Sitting down eteamboat is to make an excursion to-day, and will in her boudoir she took up a new novel and was won't occur again this season, to see your friends | sed away, and though she often thought of her have to return to the counting room for an hour gale abated, yet the tempest' raged so violently, after dinner, but you can get ready and meet me the book was so faccinating, and she thought the probability of any harm ensuing from her delay so small, that, with her usual easy procrestination, feel for the misfortunes of my client, and I bumshe concluded to wait a little , while longer, and so continued reading.

> At last two u'clock came, and the storm abated The novel, too, was finished. Sophia ordered the

As she ascended the steps she thought she heard voices, and a sudden fear came over her, for there mothers. In this situation the time slipped away was sorrow and indignation in the speakers, and to rapidly that the cluck was on the chime of smong them she funcied the recognized her lover. four before the became aware of her idleness. It Filled with remorse, she tottered up to the door has then too late ; and she sat down and went and, pushing it open, saw a scene that she never forgot

For a fortnight the lesson did Sophia good, and On the humble pallet lay a pale and beautiful the was a pattern of punctuality. But gradually face, whose icy look of repose too plainly evinced afford to do so. It is often the case that the famen was that of a core on Ru

receives the attention of these authorities and distinguished individuals here. He was to leave this morning for Matanzas, and visit that place. We are a long time without arrivals from the

which she left the 16th ultimo. ANOTHER DUEL .-- Another duel was fought or Saturday last, on the Bayou road, with swords, between Mr. Joseph Dyer and Mr. Lablanc, in which Mr. Dyer received nine wounds and Mr. Lablanc three, none of which are mortal.

AND ANOTENE.- A duel came off at Pensacola on the 15th instant, between a Mr. Sietra, and Midehipman Smith, of the U. S. steamer Poin seit. Weapone, small swords-total damage in-

ever, and on avery occasion was too late. Her nother reasoned with her in vain, and at length her father spoke seriously to her on the subject. Sophy,' said he, one evening, several days after ment has been tardy and protracted, without as he had requested her to purchase a cortain scarce yet a zerort to arms. But without launching in- | fabric of summer wear for him which was in the

to the wide sea of politics, we cannot tire in re- market, but which she had delayed going for until peating, that whilst we lament the misfortunes of it was all sold, your want of punctuality is intolerable. Your mother and I, and indeed the speedy and happy termination, it affords us great whole family, are daily sufferers by it. If you do not correct the habit it will be the cause of incalculable evil to you through life. Many a battle, sopolis, whatever be her political vicissitude and on which hung the fate of an empire, has been change of administration of government, as we lost hy some one being too late on the ground. have on former occasions indicated." And the Many a woman has lost the affections of a husprevious paragraph says -" If the Patriote de band, never to recover them, by being too late. ] Madrid, of the 1st of July, is to be believed, the wain you, my dear child, against the habit, for 1 Queen mother ought to enter Spain, and situate so it growing stronger deily, and unless you rally

Sophy burst into tears, for her father had nover quire confirmation." So far as the official scspoken thus to her before, and rising, left the room, egain, for several days, she struggled to be punc-

> conquer, she relapsed into her old indifference, and became the slave of her habit. At eighteen Sophia was one of the most beautiful girls of her native city, and her hand was sought

for by a crowd of admirets. Of these she selected one every woy worthy of her. He was a young lawyer rapidly rising to eminence, for his legal sttainments and eloquence were both of a superior order. He hud long been the prize for which numerous of her friends contended, and when Suphis each regarded her with the seine averted lookfound him at her feet a natural thrill of pride could

But it was from no selfish vanity that she ac cepted him. His estimable qualities had deepened the impression which his fine person at first made on her, and she soon learned to love Walter Conrad with all the intensity of woman's first affeccall him, although he never was a Marshall of t on. She anticipated his elightest wish, and France, only of the Palace. But as general he regulated her conduct accordingly, and her opinions were slwave moulded as the thought his would be framed. for Sophia was one of those trusting beings who give up all to the one they great captain when taken from his body to be love, satisfied that he should be their exemplar in every thing.

Conrad returned her love with equal fervency. but with more discrimination. As he became better acquainted with her he saw many faults at which he grieved, but of a sanguine nature he hoped that time and a desire to please him would nduce her to conquer them. Nor was he wholly

disappointed. Many of the slighter blemishes or her character disappeared under the kind culture of her lover ; but there was one fault which Conrad, found, for a long time, all his efforts abortive to remove. It was the latal habit of procrastina-

It is true that Sophia made many resolute attempts to conquer this habit, but her chains had been forged so strong that she found the test of vert. They also declare that no man will receive bresking them more difficult than ever. Her pid their support as a candidate for Assembly who United States. The Rapid which left yest-rday weakness constantly returned to ber, and though will not pledge himself to oppose the renewal o for New York, was the last vessel for that port, she continued her stroggles, they finally graw any bank charter that does nut provide for the inweaker. Unable or unwilling to persevere in the arduous undertaking, and conscious of her lever's disapprobation of the habit, she resorted to every President of the Convention, and we infer from means to conceal it from his eye, so that, at length, this be is willing to have such a clause inserted in Conrad, began to hope that she was cured of a that bank charter next winter; our representa failing, as the slave of which, he felt, she could tive, we hope, will bear this in mind. Lastly not continue to possess his respect, and with him respect was necessary to love.

One evening Courad called on her an hour afer his uspal time. It was a bitter winter night, and the snow was knee deep in the streets laying | singular enough, nominate James Buchanan for Acted a scratched finger belonging to the body of in drifts against the doors where the wind had for President, who has always contended for ex-| setly the contrary .- Leb. Y. Pribune,

THE TARIFY-ANALOGOUS CASE .- The Sciolo laz-tte gives a conversation with an intelligent Polish gentlemon-one of the exiled patriots-on the subject of the tariff. His language was decided and remarkable, as he enid-

" Sir, the tariff is the element of life to this couptry. Your prosperity, your independence, your national existence, depend upon regulating your imports from abroad, by a tariff formed with a view to protecting and encouraging your agriculture and manufactures at home. " Twill never do for the people of one sovereign to keep their work. shops on the soil of another government, We had a fair test of these things," he continued, " in Poland. Napoleon introduced the tariff, in his famous " continental system." All Engish goods were rigorous'y debarred. After the downfall of nificent pine tree, more than a hundred feet high, the Corsican, the Autocrat, foresceipg the benefit and a noble oak which stood by its side in the n. to provoid from it, continued the tarilf. Since the pen field, had bath disappeared. On going to the days of Peter the Great, Russia has flourished by

sput, this hole appeared, but nothing was to be the very dint of her home policy. "Well, the testriction went hard with us for seen of the trees nor has the top of them ever been reached, though a counding line has been [ three or four years, for we had to begin every sent down three hundred feet. The planter thing. But necessity has faws, and they are ofthought it unsite to remain so near a neighbor to ten good ones. Our peoply and artizans went to such a catastrophe last that should hefal him and work; mills and manufacturies were crected; sheep his family which befet the pine and the oak; and were introduced from abiced; mochanics of unsurso he removed to another house a mile distant, yet | passed shill came from England and France, and nothing of the kind has happened since, and the found ready employment; fields that were wastes or pleasure grounds were planted, and became prig wonder still remains unaccounted for:

ductive; every principle of industry was devel-oped; and the result was that in B years after the first institution of the tarff we had better and cheaper woullens and cottons, better, wagons and persons of certain temperaments. He had seen it, carriages, better agticulturil implements, and better every thing we wanted to use or wear, except the finest and co-fliest spilery, than we had before the Empeor's teriff chict; and all at much bolieve, however, that the mesmeric sleep gave lover prices. Sir, (he emphatically concluded.) supernatural power to the sleeper, though at some had it not been for the Pali-b tariff, the Russian soldiery would have reached the citadel of War-

ational coffers."

FINE WOOL .- The Igaica Chronicle says that Saxons, have disposed of the whole clip at fifty cents per pound, to a prominent manufacturing establishment in Boston, The flores averaged 21 down to the credit of the Whig Tariff.
