A PARODY.

THE IRISHMAN'S LAMENT FOR WHI-KEY.

Och! no we niver minshun it,
The crater's never seen;
My lips are now forbid to taste
The thimble of potheen!
From house to house they hurry me,
To swig the heavy wet,
But, och! I'get no whiskey there,
And how can I forget?

They bid me seek in Hodges' vaults
The gin that others drink,
But tho' I sometimes take a drahm,
'Tis always bad I think.
'Tis thrue the bar maid smiles on me,
As if to say, "Well met!"
But, och! I got no whiskey there,
And how can I forget?

For ah! there are so many things
Recall to me the past:
The jingling of the pewter pots,
The spirits ove cast;
The swearing of the opple girls,
The men, a dhrunken set;
And everything I look upon
Forbids me to forget.

They tell me Irish whiskey now
Gets cheaper every day;
They hint that men desert it,
But heed not what they say;
Like me, perhaps, they have it
Wid a feeling of regret,
But if they drink as I have drunk,
They never can forget.

☞ "You Josh, where on airth have you been?"

"Me, Dolly, oh! I've been fightin."

"Well, you savagerous beast, I hope to gracious you got licked."

"I dare say I should ha' bin for all of you, Dolly, but there was a tartin woman that helped me out of the scrape."

"*A tartin woman?* oh! the buzzy! tell me who she was this minute, afore I go off into the highstericks."

"Wall, if you must know, I killed an all fired big *wild cat* with one of them *Queen Anne's arms* that did took in the revolution!"

"March right out of the house, this instant, you sarpent, afore I break these over your sinful head!"

Whereupon Josh made a "clear streak" across the fields.

A LOT FOR THE ANTIQUARY.—The original charter of the lands of Powmode, in the year 1057, was lately discovered by accident in an old chest. It runs as follows:—"I, Malcolm Kanmore the King, the first of my reign given to theo Barron Hunter oper and nether Lands o Powmode with all the Bounds within the flood with the Hoop and Hooptown and all the Bounds up and down above the earth to Heaven and all below the earth to hell as free to thee and thine as ever God gave to me and mine and that for Bow and a Broad arrow when I come to Hunt upon yarrow and for the mair with I Bite the white wax with my teeth before Margat my wife and *Mall* my nurse.

When Mrs. McGibbon was preparing to act Jane Shore at Liverpool, her dresser, an ignorant country girl, *informed* her that a woman had called to request two *box orders*, because she and her daughter had walked four miles to see the play.

"Does she know me?" inquired the actress.

"Not at all," was the reply.

"What a very odd request!" exclaimed Mrs. McG. "Has the good woman her faculties about her?"

"I think she have, ma'am, for I see she ha' got summat tied up in a red silk handkerchief."

In order to get some footing with people that vote, the Tyler PARTY in Rhode Island obtained permission to vote the Dorr ticket at the recent election—(we do not know that there were more than half a dozen.) Governor Dorr heard of this circumstance, and issued a circular to his followers, denouncing in the strongest terms such an alliance as disgraceful to them, and one to be immediately disavowed.

If that is not a kick, we do not know what can be so regarded short of the application of the actual shoe leather. Dorrism, that has been the ridicule of all capable of ridiculing, has declared itself degraded by Tylerism!—*U. S. Gazette.*

A CLEVER REPLY.—A servant girl in the town of A——, whose beauty formed a matter of general admiration and discussion, in passing a group of officers in the street, heard one of them exclaim to his fellows—By Heaven, she's painted.'

'Yes, sir, and by Heaven only!' she very quietly replied, turning round.

The officer acknowledged the force of the rebuke, and apologised.

A WISE ONE.—A lady residing in a town not a thousand miles from Boston—who is blessed with a larger amount of wealth than education—remarked to a friend the other day, that her daughter had been in *Paradise* (meaning Paris, for more than three years.

'Do you you *correspond* with her?' asked the friend.

'No—her eyes are *black* and mine are *blue*—she is *slim* and I am *stout*,' was the reply.

☞ May it please your honors," said an uncouth looking chap the other day to a country court, "My Pappy died lately, *detested*, and left four little *infidels*, of which I am the oldest. I want to be appointed *executioner*, and if you will grant me letters of *condemnation*, I will go about diminishing the property as fast as possible."

OUR WOOLEN MANUFACTURES.—The manufactures of domestic carpeting, says the Portland Advertiser, is fast attaining a firm and prosperous position. It is observed that the importation of the lower priced carpetings has now entirely ceased, and we were recently informed by a carpet manufacturer and dealer in New York, that they are now bringing out at several establishments in this country, superior articles of Brussels carpet. It is but lately that this higher branch of the art has been attempted in this country, and such is the success of the effort, under Tariff protection, that the American Brussels carpet *sells at twenty-five cents a yard cheaper than the corresponding varieties of the foreign article.* The same manufacturer is at this moment preparing looms to commence the weaving of *Wilton carpets*, a still higher and more costly grade, with equal prospects of success.

A NEW FOUNTAIN OF LIFE HAS OPENED.

AND its healing streams now gushing forth, brilliant star has arisen in the East, and now cheering thousands with RENEWED HEALTH, LONG LIFE, AND HAPPINESS.

That Star is
DR. REICHTER'S VEGETABLE PURGATIVE PILLS.

These pills, let all understand, cure disease by a power peculiar only to itself, which instantly checks the action and progress of disease, for their commencement is much alike (which is when the

BLOOD AND JUICES

are so far depraved, as to produce obstructions and sores) that one medicine, provided it be competent to produce sickness, will be all that is necessary for removing disease, and restoring

HEALTH AND HAPPINESS

to mankind. Let it likewise be remembered, that *there is no medicine now in existence* possessing equal healing powers; and that no vegetable, or any other kind of physic can so soon restore health, when lost, even in cases the most inveterate.

The action of these pills upon the bowels, are mild; producing no griping pains or debility, but on the contrary, after they have operated, you feel that a load of irritating and corrupt humors have been taken from you, and the buoyant feelings of health spring up in their place; and what is another great object in these pills, they are always safe, they may be taken on all occasions, and under any circumstances, without regard to the name of the disease, for they operate upon every part of the body, and expel disease from whatever part it may be seated. Every person who possesses a box of these pills

NEEDS NO PHYSICIAN,

for in them he can find a cure, and confidently rely upon a speedy restoration to health.

In Germany, the land of their origin, millions of persons have experienced their beneficial effects, and the thousands who have used them here, speak of them in the highest of terms, on account of their *curative properties.*

The joyful news of health and comfort, spreads from those who have happily used

DR. REICHTER'S
VEGETABLE PURGATIVE PILLS.

and they now prevail by their own excellence, and the Power of Truth.

And why, we may reasonably inquire, have they become so endeared to the hearts of those who have *used them, and by them* gained such a popularity? Simply because their action upon the

HUMAN BODY,

was as the sun and rain upon vegetation, giving new life to all who partook of its happy influence. As the health of the plant depends upon the sap which circulates through its branches, so the life and health of mankind depends upon the blood which flows through his veins. And when this vital fluid, which is most necessary to the growth and support of the body, by some unknown cause becomes loaded with morbid and

CORRUPT HUMORS,

so that instead of nourishing and strengthening the body, it labors to produce obstructions in the system, which engenders disease, have recourse to a medicine that is perfectly safe in every disease, and that will produce a favorable termination, if given early in the complaint, frequently in a few hours and most always in a few days, that medicine is

Dr. Reichter's Vegetable Pills,

which so throughly cleanses the blood and system at large, that disease of any kind cannot, possibly exist, where

We find their Presence,

provided nature is not beyond all human assistance.

The price of these pills is 25 cents per box, with full directions, and can be had at the

Philadelphia Medical Hall,

established for the suppression

Of Quackery,

at the northeast corner of SIXTH and RACE streets—likewise of sub-agents.

GREENFIELD, Pa., Oct. 10, 1842.

Dear Sir: you doubtless remember my calling at your establishment about two weeks since, and obtaining from you one dollar's worth of Dr. REICHTER'S VEGETABLE PURGATIVE PILLS, for one of my neighbors who requested me to procure the article for them. This being done and my own business transacted, I started for home. After travelling all day, I was taken with a sudden chill, which left me with a violent fever, head-ache, and considerable pain throughout my whole system, with great sickness at my stomach, which so completely disenabled me that I was compelled to stop at a small Inn on the road for relief and rest. Upon inquiry, they had nothing that could possibly afford me relief. While yet in misery, for I never was so ill in all my life, I happily thought of your pills, and resolved to open one box upon my own account and seek relief in them, I took six of them drank a warm cup of tea, and retired to bed. My pain here ceased in a measure, and I soon fell sound asleep. In the morning I awoke much better, and after the pills had operated I was quite a different person; took another dose of four pills, remained there all Wednesday, and on Thursday started for home as well as ever, and I still enjoy good health—the persons for whom I bought them, informs me that they have experienced more benefit from your pills than a whole cart load of the quacks which they had formerly used. Surely if they used them with as good an effect upon themselves as I have, they have good reason for extoling their virtues; and if you take my advice, you will persevere, go on and recommend them to all who are laboring under disease, and my word for it, they will become so popular as a general remedy that you will find it difficult in supplying the demand.

TO FAMILIES.

Rowand's [Improved] Tonic Mixtur.

THOSE who would have recourse to a *Family Medicine for* FEVER AND AGUE, *Dyspepsia*, and *Nervous Weaknesses*, should discriminate between the "thousand and one" remedies constantly heralded forth to the public, and that almost universally successful prescription called

Rowand's [Improved] Tonic Mixture.

A few remarks will serve to illustrate the difference. In the first place, the operation of the Tonic Mixture in the cure of Fever and Ague is upon entirely new and peculiar, yet safer principles. Secondly: It not only *promptly arrests* the course of *the chills*, when punctually and perseveringly *used*, but it soon *restores the wonted functions* of the general system to a perfectly healthy state; when relapses are no more liable to ensue that an attack of the disease in one who has never had it before. Thirdly; The system, during the administration of the Improved Tonic Mixture, *springs up at once under its benign influence*, and gives forth an earnest of returning *health and vigour*. Fourthly: Producing more or less *effect* on the bowels, the cause of the disease passes off in the way most strongly indicated by nature. Fifthly: Its effects on the system are *uniformly mild and safe*, as well as efficient, and it is as well adapted to the feeblest infant, simply by a modification of the dose, as to the most vigorous adult.

The above *medicine may be had* in Pottsville at the Drug and Chemical store of

TO THE WHOLE WORLD!

It is admitted by all who have used them, (and who has not?) that

DR. PETERS' VEGETABLE ANTIBILIOUS PILLS,

ARE the most unrivalled remedy ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints: Yellow and Bilious Fevers, Fever and Ague, Dyspepsia, Croup, Liver Complaint, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholic, Female Obstructions, Heart-burn, Furred Tongue, Nausea, Distentions of the Stomach and Bowels, Incipient Diarrhœa, Flatulence, Habitual Costiveness, Loss of Appetite, Blotched or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or an Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, or Debility. They are extensively used and commended by PRACTISING PHYSICIANS, in all parts of the Union, from whom any quantity of Certificates of their value can be obtained.

SHERMAN'S COUGH LOZENGERS

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. J. An Starkey, foot of Gouverneur st., cured of cough of eighteen month's standing, supposed to be a settled Consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of three month's standing, by half a box of the Lozenges.

Mr. Hancock, 497 Pearl st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affections of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No 5 Tontine Buildings, Will st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with *some distressing cough*, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at nigh. He had tried every thing else he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGERS

Proved in more than 40,000 cases to be infallible: the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming, sometimes a troublesome cough, feverishness, thirst, a lid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or Bowels, fatigue, nausea, queasiness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of *something rising* in the throat, itching of the anus towards night, a frquent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozengers, after three year's suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets, was cured of fits by only one dose of them.

Mr. John R. Wood, 37 Third street, gave them to his child, and they brough away the worms by thousands.

Dr. Zabriskie, 18 Duane st., has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success.

Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for two years, with entire success. Twenty-five cents per box.

Sherman's Camphor, or Headache Lozengers

Give immediate relief in nervous or sick Headache, palpitation of the heart, lowness of spirits, despondency, inflammatory, or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of he chest, cholic, spasms, cramps, of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness through the day and wakefulness at night; cholera or cholera morbus, diarrhœa, lassitude, or a sense of fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they restore the tone of the system generally, and remove all the unpleasant symptoms of too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudiced against them.

Joseph B. Nones, Esq., Vice President of the Washington Marine Insurance Company, has suffered for years with nervous headache, that nothing would relieve till he used these Lozenges, which removed it entirely in fifteen minutes.

Dr. G. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hour at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree Esq., of the New York Herald, has used them for the last year for headache or jassitude, and always found immediate relief from them.

JOYFUL NEWS.

Almost every disease that flesh is heir to may be cured by the timely use of OAKELEY'S COMPOUND DEPURATIVE SYRUP. This may be proved satisfactorily to those who will call at any of the stores where this invaluable medicine is sold, by certificates (properly authenticated) of cures performed on individuals who had lost all hopes of relief—certificates of Physicians who had the most severe cases under treatment, their patients having taken the medicine by their advice and been cured—certificates from the Prothonotary, Clerk of Orphans' Court, Notary, &c., stating their acquaintance with persons of respectability and standing, who having the good of their fellow men at heart, have voluntarily come forward and given a statement of their case and its cure for publication, &c. &c. The number of these certificates being too great for newspaper publication, the subscriber has deemed it advisable to have a copy of the most important certificates properly authenticated, under seal, to be placed at the stores of agents, who have the medicine for sale, where persons afflicted with Scrofula or Kings evil, White Swelling, Chronic Rheumatism, Tetter, Mercurial diseases, *Eruptions* of the Skin, Cough of long standing or incipient Consumption, sick Head-ache, &c, &c, may have an opportunity of ascertaining the names and residences of those who have been cured by its use, and who will be willing, if called upon, to give every information required.

As a more general evidence that this is no quack medicine, I would refer to the names of the following well known physicians, who have attested to its efficacy:—Dr. J. P. Hiester; Dr. S. G. Birch. Dr. Jno. Otto, Dr. H. H. Muhlenberg, Dr. J. E. Sorber.

EVERY HUMAN HAIR IS A PERFECT TUBE, with innumerable ramifications of the arteries branch along its inner surface. Through these vessels the blood, which imparts vitality to the hair, circulates, and when from obstructions in pores of the scalp, the supply of blood and moisture is cut off, the hair loses its gloss, becomes dry and harsh and falls off. Now it is obvious that unless the pores or the scalp be opened, the capillary action of the blood restored, and the scurf and dandruff proceeding from suppressed perspiration removed no dness must speedily ensue. JAYNE'S HAIR TONIC will produce all these effects—nay more, it will re-clothe the bald places with vigorous and luxuriant tresses, and ensure a healthful and redundant growth of hair, as long as it is used in conformity with the printed directions which accompany each bottle, and to which are appended numerous testimonials of its efficacy, from some of our most distinguished clergyman, and physicians.

THE POCAHONTAS, OR INDIAN VEGETABLE PILLS.

THE remedies prescribed for the cure of diseases, have correctly been divided into classes according to their operation upon the human system. Thus we have one class which causes the stomach to eject its contents, called emetics, another inducing perspiration called diaphoretics and a third which evacuates the stomach and bowels, denominated cathartics, &c. Cathartics or purging medicines, have in every age and country been the favourites of the physicians for the cure of the most obstinate and alarming maladies. The wonderful success attending this mode of treatment will readily be understood when we reflect that the stomach and bowels have assigned to them, the important function of digestion, or the conversion of food into blood, that vital fluid intended for the growth and nourishment of the whole system. It follows that whenever the digestion organs become depraved or disqualified for the healthy performance of their duty (and this occurs daily in civilized society) impure blood, and consequently disease are the results.

It has been remarked, that whenever the stomach is not usefully employed it is always at mischief. That individual who would deny that the most formidable diseases are daily cured by the use of Pills compounded and for sale in almost every hamlet of our country, would certainly risk his reputation for veracity. The Pocahontas, or Indian Vegetable Pills cleanse the stomach, purify the blood and remove inflamation, and have proved eminently useful in curing bilious fever, bilious cholic, inflammation of the liver, rheumatism, dropsy, jaundice, pleurisy, costiveness, &c. &c. Females of sedentary habits and subject to indigestion, flatulency, headache, depression of spirits and uneasiness, will find relief from the use of these pills. There is not a disease attended with a full pulse, a dry skin, and a coated tongue, that these pills will not relieve. The following simple narrative will show the benefit derived from these pills in a very common disease:

CERTIFICATE.

Having been cured by the use of the Pocahontas Pill of an *alarming disease* of the liver of several *years standing*, I *deem it a duty* to make my case known to the public, for the benefit of others. I had taken various remedies which afforded only temporary relief, after using two boxes of these pills, my disease yielded, and I have enjoyed good health for the last six months.
