We copy the following extract from a letter learn from the New York Express that the atten-

ed up, exhausted, by one of the watchmen, and

person who is most prominent in endeavoring to an- we may be permitted to suspect that this is not nul them. In cases of all illegal vo ing it is necessary that the identity of the person so voting shall be proven; and then, after ascertaining for whom he voted, (which must be discovered through his own oath.) his vote shall be cancely led, and not till then. The law in oll cases of contested elections, makes it necessary that twenty qualified electors shall make complaint over their own signatures, setting forth the facts which must be accompanied by the ca h or affirmation of at least two of the petitioners, that the facts stated are true. All these petitioners are liable for the costs of the trist, should the complaint he ad. thought over and embodied the same idea in the judged as causeliss, and the Commissioners are same language ! authoriard to issue attachments immediately for

the recovery of the same. Now, we do not believe that twenty go d responsible men could be found in the North Ward who would pledge their have always willing'y published such notices property for the success of so shameful an undertaking, and none but such persons should be received. Should the complaint succeed through corruption, fa'se sweating, or any such method. the costs will have to come out of the county treasury ; and should the petition of worthless, irresponsible men be therefore li tened to, the cos's, which in all prob bility will am unt to upwards work is published semi monthly, and contains reof one thousand dollars, will fall upon the tax prints of the choicest liverary contents of the repayers of the county.

Now while we as rt that there is not the shad | Great Britain, and is accompanied with splendid ow of foundation, either in fact or equity for any | engravings on steel, taken from the most rare and such proceeding as has been commenced, we excellent subjects. Subscription price, Five Dolwould call popular attention to the principle such lars a year, payable in advance. Orders received attempt evinces. The men connected with it at this office, where specimen copies of the work have hither to been the noisiest and most servile can be seen. in their pratings for the rights and privileges of the dear people. They have been heard upon all occasions wh'n the slightest chance for popularity. existed, to vapour loudy and long, ag unst any 20th inst., in the large siloon of the Fown Hall. funcied opposition to these immunities, and, pretending the most carnest reg rd for their wolfsre, and boutiful articles will be off red for disposal ;

have never list an opportunity of impressing their and as the proceeds are to be devoted to the as. hyp-critical sentiments upon thein. All this sistance of the Catholic Orphans' Asylum of this worked very well until a dim prespect of self in. place, we sincerely hope that the result may be eterest conflicted, or seem d to conflict with the en- qual to the most singuing anticipations of these joyment of that right : when, suddenly alive to

the leter of the law, thy w u'd seek to annul the suffrages of the miss, because a few workingmen, whose occupation prevented them from sttending earlier, and who were on the ground waiting to deposite their votes long before the polls clused, voted, as they assert, after seven o'clock! Remember! they make no charge of illegal voting !- they breathe not a word against the honor or integrity of the officers, holding the election ! tier, are now thronged with anxious and interes but base their whole objecti n, their whole protest, ted auditors. The lecturing season is now open. upon an uncertain guesti in of time. Where now is all their vauuted Democracy ! where, their boasted affection for the "d ar people," an I their frothy denunciations of aristocratic oppression ! Can they ever again, after thus striving to destroy the dearest privil-ge of a freeman, have the effiontery to profess friend-hip for the mass ! . If the object they hoped to gain was political notoriety or cop tal, we think we can assure them that they have been greatly mistaken in their estimate of the people of Schuylkill county; for every man,

whom we have heard express an opinion in relation to the matter, has concuired in stamping it as an unjustifiable; mean and disgraceful proceeding. We should like to see the twenty respectable men who would come forward and seal this measure with their mark of approval, and more part cularly the two, who would mike affidavit for the purpose of defrauding their fellow citizens of the right of voting. Such men would well

merit immortality ! Miss LESLIE'S MAGAZINE .--- We have received the October number of this beautiful and cheap air is cool and threatens to increase in frigidily; periolical.
