The Little Red Fox.

TUNE—"Old Dan Tucker."

The moon was up, and bright as day,
The stars they winked in their quiet way—
When the Kinderhook Fox was chased by a Coon,
As the west wind whistled this bran new tune—
Get out of the way you're quite too late—
Your little Red For of the empire State.

The Fox had hoped that the BUCKEYE BOYS
Would beat off the Coon with a thundering noise—
But his heart grew sad, and his fur flew off,
As he heard while he hiccupped a church yard cough
Get out of the way, &c.

Over the line to old PENNSYLTUCK—
The Fox thought he'd go in search of luck;
But the cry went up, "we dont want you here"—
And they sung, as there dropt from his eye a tear—
Get out of the way, &c.

So on he went, to the old NORTH STATE—
With the hope that "OLD RIP" would avert his fate;
But when he got there, he lost his tail—
And the Coon boys sung, as he "cut" with a wail—
Get out the way, &c.

The tailless Fox then went to TENNESSEE,
To beg a little help from Old Hick-o-ree,
But he heard, as he went, a loud shout for Jones,
And the song, as he scampered to save his bones—
Get out the way, &c.

Breathless with fear, and without a tail—
The sight of a Coon-skin made him quail;
He jumped like a thief to a "cut-dirt tune,"
And heard, while he yelped like a frightened loon,
Get out the way, &c.

On he leaped, with a limping gait,
And took his way through MARYLAND STATE—
But it followed him there like a hue and cry—
That terrible sound which he could not fly—
Get out the way, &c.

Wearied and worn, and chased by the "Coon,"
His head became bald as a shaved baboon:
When he reached Lit'denwald, he sighed 'I'm unluck,'
For the people all sing, as they shout for 'Kentuck,'
Get out of the way, &c.

So the Fox lay down, and his voice got wheezy—
His face grew pale and his stomach uneasy:
He heaved, he kicked and cried I am lost—
And the night-wind moaned, as he gave up the ghost
The little Red Fox is quit unlucky—
For the people are going for old Kentucky!

MR. WEED, of the Albany Evening Journal, in one of his late letters from Paris, says of the French capital—

Paris has the appearance of a City under Martial Law. Its Nationals Guard is doing duty as Policemen. Sentinels are stationed at the entrances of all the Public Institutions. Detachments of troops are quartered near each other, throughout the city. The number of soldiers now doing military and civil duty, in and about Paris, is over 50,000. All the young men of France, over 18 years old, are liable to be drawn into the Army. Indeed Bonaparte's odious Conscription law, by another name, is now practically in operation. When new levies of troops are wanted, all the young men of Paris are warned to meet in their respective Arondissements. If the number assembled be a thousand, and a hundred soldiers are wanted, a thousand numbers are prepared, from which each draws and those who get the numbers from "1" to "100," are doomed to the army for eight years! Those who are fortunate in having wealth relatives or friends, pay their seven, eight, nine, ten, and sometimes even fifteen hundred francs for a substitute. The pay of a French soldier is about one sous per day, or thirty-five dollars for eight years! Their meat ration is less than half the weight of a soldier's ration in the British or American army. The troops are undersized men with slight frames, but they are alert in their movements, and are capable of performing hard service and enduring fatigue and privation.

The French live much out doors and at Cafes They are seen, in great numbers, in Gardens, in Cafes and around tables upon the Boulevards.—Families in stead of dining at home, go frequently to Cafes and Restaurants. The guests of the Table d'Hotel of the most fashionable Hotels consist in part of ladies and gentlemen who reside in Paris. The poorer classes in great numbers go for their dinners without the city barriers, where they get wine which has not paid the Octroi duty and is therefore very cheap.

The BOULEVARDS are the ornament and the pride of Paris. They surround and encircle the city. They are to this Metropolis what Regent street is to London, what Broadway is to New-York, and what Chesnut-street is to Philadelphia, though far surpassing either and all magnificence and beauty. This delightful Avenue, in its graceful sweep around the city, is nine miles in length. There are rows of fine trees planted upon terraces which divide the broad carriageway from the ample side-walks. In the evening the Boulevards are brilliantly illuminated, and then the fashionable stores, the fancy shops and the various Picture and print windows, resplendent with all the productions of genius and taste, produce a most dazzling effect.

Then, too, the Boulvards are graced by the fashion and beauty of Paris. During the Summer evenings fruits and creams and wine are served upon tables under the trees. These scenes are enlivened by music, particularly upon the Boulevard des Italiens, which is the resort of the most fashionable. The humbler classes congregate more in the Boulevard des Temple, where they are amused with shows pantomimes, rouge et noir, roulette, &c. &c. The gambling here, however, is only for cakes, fruit, candies, &c. Among other contrivances of gaming (the French are curious in all such devices) they have something like a ten-pin-alley, with this difference, that the pins are knocked down by the spinning of a top, instead of rolling a ball among them. The great gambling houses or 'hells' of Paris, in which such frightful robberies were formerly perpetrated, have all been suppressed. The Revolution of 1830, among other good things, put an end to licensed gambling-Houses and Lotteries. But the French passion for play is as strong as ever, though now indulged less injurious to themselves and others.

Our promising young friend, Robert Tyler, Esq., son of John Tyler, has recently been down in North Carolina, enlightening the ignorance of that Clay region with the scintillations of his genius. He attended the sitting of the Northampton Superior Court at Jackson, where a crowd collected around him to imbibe the freshest draughts of his wisdom Political, (not poetical, by no means'—a little of that is too much,) and to whom he imparted freely, according to their several needs. One of the listeners asked him who would be the candidate of the L co Foco National Convention—whereupon, proceeds to her irreverence'y the Raleigh Register—

Bob spread himself and spoke almost literally in this wise:—Gentlemen, it is difficult to answer that question, but if Calhoun is the nominee, CLAY will beat him 190,000 votes—if Van Buren should be selected, CLAY will beat him 170 000 votes; but if the Administration runs, it will succeed against CLAY, without difficulty. In fact, Gentlemen, CLAY has *his all* staked on the hazard of a single die"—"Yes," interrupted a whole souled Whig, "and he'll throw sixes, Sir, and no mistake." Bob looked blue and a hearty laugh repaid the witty repartee.—*New York Tribune.*

FOR

CONSUMPTION OF THE LUNGS,

Affections of the Liver, Asthma, Bronchitis, Pain or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs.

NATURE'S OWN PRESCRIPTION.

A compound Balsamic preparation of the *Prunus Virginiana* or "Wild Cherry Bark," prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowleged the most valuable medicine ever discovered.

No Quackery!!! No Deception.

In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are labouring under affliction, nor do we wish to eulogize it more than it justly deserves. Yet when we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favour.

Such indeed are the

SURPRISING VIRTUES

Of this Balsam, that even in the advanced stages of CONSUMPTION, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despaired of.

In the first stages of the disease, termed "*Catarrhal Consumption*," originating from *neglected* COLD, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone. In that form of *Consumption* so prevalent amongst delicate young females, commonly termed debility, or

"GOING INTO A DECLINE,"

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicine we have ever possessed.

☞For particulars see Dr. Wistar's Treatise on Consumption, to be had of the agents.

Sold in Pottsville by
JOHN S. C. MARTIN.

In Reading by Mrs. SARAH MORRIS, and in every town in the State.

Pottsville, October 28, 44—

TO THE WHOLE WORLD!

It is admitted by all who have used them, (and who has not?) that

DR. PETERS' VEGETABLE ANTIBILIOUS PILLS,

ARE the most unrivalled remedy ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints: Yellow and Bilious Fevers, Fever and Ague, Dyspepsia, Croup, Liver Complaint, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholic, Female Obstructions, Heart-burn, Furred Tongue, Nausea, Distentions of the Stomach and Bowels, Incipient Diarrhœa, Flatulence, Habitual Costiveness, Loss of Appetite, Blotched or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or an Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, or Debility. They are extensively used and commended by PRACTISING PHYSICIANS, in all parts of the Union, from whom any quantity of Certificates of their value can be obtained.

SHERMAN'S COUGH LOZENGERS

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur st., cured of cough of eighteen month's standing, supposed to be a settled Consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of three month's standing, by half a box of the Lozenges.

Rev. Mr. Hancock, 497 Pearl st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affections of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with some distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing else he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGERS

Proved in more than 40,000 cases to be infallible the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of he body, slight chills or shiverings, head ache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming, sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or Bowels, fatigue, nausea, queamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frquent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozengers, after three year's suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets, was cured of fits by only one dose of them.

Mr. John R. Wood, 37 Third street, gave them to his child, and they brough away the worms by thousands.

Dr. Zabriskie, 18 Dunne st., has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success.

Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for two years, with entire success. Twenty-five cents per box.

Sherman's Camphor, or Headache Lozengers.

Give immediate relief in nervous or sick Headache, palpitation of the heart, lowness of spirits, despondency, inflammatory, or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of he chest, cholic, spasms, cramps, of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness through the day and wakefulness at night; cholera or cholera morbus, diarrhœa, lassitude, or a sense of fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they restore the tone of the system generally, and remove all the unpleasant symptoms of too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudiced against them.

Joseph B. Nones, Esq., Vice President of the Washington Marine Insurance Company, has suffered for years with nervous headache, that nothing would relieve till he used these Lozenges, which removed it entirely in fifteen minutes.

Dr. G. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make shim almost blind for two or three hous at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree Esq., of the New York Herald, has used them for the last year for headache or jassitude, and always found immediate relief from them.

JOYFUL NEWS.

ALmost every disease that flesh is heir to may be cured by the timely use of OAKLEY'S COMPOUND DEPURATIVE SYRUP. This may be proved satisfactorily to those who will call at any of the stores where this invaluable medicine is sold, by certificates (properly authenticated) of cures performed on individuals who had lost all hopes of relief—certificates of the most severe cases under treatment, their patients having taken the medicine by their advice, and been cured. Court, Notices from the Prothonotary, Clerk of Orphans persons of tary, &c., stating their acquaintance with the good respectability and standing, who having the same forward and given a statement of their case and its cure for publication, &c. &c. The number of these certificates being too great for newspaper publication, the subscriber has deemed it advisable to have a copy of the most important certificates properly authenticated, under seal, to be placed at the stores of agents, who have the medicine for sale, where persons afflicted with Scrofula or Kings evil, White Swelling, Chronic Rheumatism, Tetter, Mercurial diseases, Eruptions of the Skin, Cough of long standing or incipient Consumption, sick Head-ache, &c, &c, may have an opportunity of ascertaining the names and residences of those who have been cured by its use, and who will be willing, if called upon, to give every information required.

DR. REICHTER'S VEGETABLE P
PILLS.

These pills, let all understand, cure disease by a power peculiar only to itself, which instantly checks the action and progress of disease, for their commencement is much alike (which is when the

BLOOD AND JUICES

are so far depraved, as to produce obstructions and sores) that one medicine, provided it be competent to produce sickness, will be all that is necessary for removing disease, and restoring

HEALTH AND HAPPINESS

to mankind. Let it likewise be remembered, that there is no medicine now in existence possessing equal healing powers; and that no vegetable, or any other kind of physic can so soon restore health, when lost, even in cases the most inveterate.

The action of these pills upon the bowels, are mild; producing no griping pains or debility, but on the contrary, after they have operated, you feel that a load of irritating and corrupt humors have been taken from you, and the buoyant feelings of health spring up in their place; and what is another great object in these pills, they are always safe, they may be taken on all occasions, and under any circumstances, without regard to the name of the disease, for they operate upon every part of the body, and expel disease from whatever part it may be seated. Every person who possesses a box of these pills

NEEDS NO PHYSICIAN,

for in them he can find a cure, and confidently rely upon a speedy restoration to health.

In Germany, the land of their origin, millions of persons have experienced their beneficial effects, and the thousands who have used them here, speak of them in the highest of terms, on account of their *curative properties.*

The joyful news of health and comfort, spreads from those who have happily used

DR. REICHTER'S
VEGETABLE PURGATIVE PILLS.

and they now prevail by their own excellence, and the Power of Truth!

And why, we may reasonably inquire, have they become so endeared to the hearts of those who have used them, and by them gained such a popularity? Simply because their action upon the

HUMAN BODY,

was as the sun and rain upon vegetation, giving new life to all who partook of its happy influence. As the health of the plant depends upon the sap which circulates through its branches, so the life and health of mankind depends upon the blood which flows through his veins. And when this vital fluid, which is most necessary to the growth and support of the body, by some unknown cause becomes loaded with morbid and

CORRUPT HUMORS,

so that instead of nourishing and strengthening the body, it labors to produce obstructions in the system, which engenders disease, have recourse to a medicine that is perfectly safe in every disease, and that will produce a favorable termination, if given early in the complaint, frequently in a few hours and most always in a few days, that medicine is

Dr. Reichter's Vegetable Pills,

which so throughly cleanses the blood and system at large, that disease of any kind cannot, possibly exist, where

We find their Presence,

provided nature is not beyond all human assistance.

The price of these pills is 25 cents per box, with full directions, and can be had at the

Philadelphia Medical Hall,

established for the suppression

GREENFIELD, Pa., Oct. 10, 1842.

Dear Sir: you doubtless remember my calling at your establishment about two weeks since, and obtaining from you one dollar's worth of Dr. REICHTER'S VEGETABLE PURGATIVE PILLS, for one of my neighbors who requested me to procure the article for them. This being done and my own business transacted, I started for home. After travelling all day, I was taken with a sudden chill, which left me with a violent fever, head-ache, and considerable pain throughout my whole system, with great sickness at my stomach, which so completely disabled me that I was compelled to stop at a small Inn on the road for relief and rest. Upon inquiry, they had nothing that could possibly afford me relief. While yet in misery, for I never was so ill in all my life, I happily thought of your pills, and resolved to open one box upon my own account and seek relief in them, I took six of them, drank a warm cup of tea, and retired to bed. My pain here ceased in a measure, and I soon fell sound asleep. In the morning I awoke much better, and after the pills had operated I was quite a different person; took another dose of four pills, remained there all Wednesday, and on Thursday started for home as well as ever, and I still enjoy good health—the persons for whom I bought them, informs me that they have experienced more benefit from your pills than a whole cart load of the quacks which they had so merly used. Surely if they used them with as good an effect upon themselves as I have, they have good reason for extolling their virtues; and if you take my advice, you will persevere, go on and recommend them to all who are laboring under disease, and my word for it, they will become so popular as a general remedy that you will find it difficult in supplying the demand.
