AN OLD CAMP DEPONTER.

A SURE REMEDY FOR WORMS.

Facts for the People! HE constantly increasing popularity and sale of B. A Fahnestock's Vermifuge has induced persons who are envious of its success to palm off upon the public preparations which all medical men know to be inefficacious in expel-

ling worms from the system.

This Vermifuge has made its way into public favour upon the ground of its own intrinsic merits, more than any other medicine of the kind now used; and while many worm remedies have, by dint of puffing, been forced into sale, and shortly after gone into the obscurity which their worthlessness justly merited, B. A. Fahnestock's Vermifuge continues to be triumphantly sustained. It has only to be used, and its effects will fully sustain all that is said of its wonderful expelling power.

Certificate. Wales, Eric Co., New Y., Jan. 7, 1843. We certify that we have used B. A. Fahnes tock's Vermifuge in our families, and in every case it has proved a decided and effectual remedy for expelling worms from the system. We cordially recommend it to parents who have children afflicted with that dangerous malady.

The subscriber has now on hand a handsome assortment of the above Hats, to which he would respectfully invite the attention of the public.

The question is often asked—How can Raymond sell at this low price? The question is at once solved. His rent in the first place is more than one half less than any other store in the st. consequently his expences are less in proportion.
