May 25 21-1y NER'S STATES TPE FOUNDRY, COR-ND ANN STREETS, YORK. ectfully inform the Old Pat-Stereotype Foundry, former-cra, and more recently, as e Public in general, that they dets for S PRESSES, CHA-ING STONES, RAMES, necessary to form Complete on as favourable terms, and y other establishment in the tablishment, is, both in the e in Newspaper Printing. furnished to order. rs, as will copy the above symber 1st, 1844, will be en-aking a bill of four times the MESI CONNER & SON. 21-31 R HEARD OF lebrated Ointment Tether, Itch, Dry and Watery ad body, Scaly Eruptions, and s of the Skin? by the spate of the bottles with Tetter and Itch Ointment" r has an instance been known and failed. A number of refer-re it has been used in schools, saels; and in families, and cer-sed of them, but for the delica-bilisted in connection with so able affections.

paim off upon the public preparations which all medical men know to be inefficacious in expel-ling worms from the system. This Vermifuge has made its way into pub-lic favour upon the ground of its own intrinsic merits, more than any other medicine of the kind now used; and while many worm remedies have, by, dint of puffing, been forced into sale, and effortly after gone into the obscarity which their worthlessness justly merited, B. A. Fahtheir worthlessness justly merited. B. A. Fah-nessock's Vermiture continues to be riumphant. In sustained. It has only to be used and its effects will fully sustain all that is said of its wonderful expelling power.
