Sheriff Office Orwing:

Sheriff's Office, Orwigs burg June 22, 1814. COAL CUTTER OR BREAKER.

A LL person's having an interest in the Coal business A LL persons having an interest in the Coil business, — are respectfully invited, between 7 and 9 o'clock in the morning, until the 27th inst... to witness the operation of Richardson's Patent Coal Cutter or Breaker, at Nelson Gavit's Machine Shop, on the east side of Broad street, north of Filbert, Philadelphia.

The advantages offered by this Machine, are its simplicity, durability and economy of construction and use. An Engine of four horse power, will be amply sufficient to propel it with the requisite force, for cutting or breaking and screening 12 tona of Coal an hour; with less percentage of waste, than any Machine in use, for similar purposes.

centage of waste, than any Machine in use, for similar purposes.

The principle is an entirely new one—it may he applied to eating or breaking (oal, of unlimited bulk, and obtaining with precision and certainty, the most desirable sizes for market, in the best proportions, and with greatly diminished per centage of waste, compared with any Machine, offered for similar purposes. In the course of a few days, the Machine will be put in operation at Pottsville, to which the Coal interest of the region, will be invited to witness its operations there.
