t Bowel Courleists occur more frequently durin he gummer months, than at any other period; because at this season of the year the system being debilitated, direction is not sufficiently active, to dispose of the food before it becomes purified; hence a perullar acid is generated in the stomach, which is the cause of those horrid diseases called Dysentery, Cholera Morbus, Inflamation of the Bowels. &c.

Wright's Indian Vegetable Pills, are a natural remedy, and therefore are a certain cure for all kinds of Bowel Complaints, hecause they cleanse the stomach and bowels from those putrid humors which are the cause of the above distressing complaints. They also aid and improve direction and purify the blood; consequently as they remove the cause of every form of disease, it is absolutely impossible for them to fall in making a perfect cure of Dysentery, Cholera Morbus, inflamation of the Bowels, &c.

It is warranted to be stronger than 6 bottles of MOST to there—stronger; than four of SOME, and stronger than three of the STRONGEST prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other. All who havelever used it, have derived MORE BENEFIT from one bottle than three to ten of others; and those who, after having used other's preparations, without benefit, will use Dr. Leidy's, will soon be couvinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts used in his preparation of Sarsaparilla as prepared, is the only one in the United States, imported by Dr. Leidy himself, from the celebrated house of Pelleter & Cavenon, in Paris, at a great expense, and is capable of exenon, in Paris, at a great expense, and is capable of ex-tracting the medical virtues of Sarsaparilla and other roots, more effectually than by any other process.
