INDIAN VEGETABLE ELIXER & LINIMENT.—A cure for Rheumatic affections. This article penetrates to every nerve and sinew of the person using it, and it has attained a reputation in equatiled by any other article in Rheumatism. This will cure the most severe cases—extend contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useless. We only need refer to some cases below to obtain the confidence of the public for these articles.

The following are two respectable, and the gentlement to well known to require comment. Bet them be read. I have been afflicted most grievously since 1822 with Rheumatism and contraction of the cords of my legs, caused by the cranps of the cholera, which I then had in its most severe form. After trying many remedies in vain; I have found relief—had the cords of my legs reluxed—the swelling reduced—and am greatly henefitted by the use of one bottle of Liniment used externally and one bottle of Indian Vegetable Elixit, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at nil.

111 Chrystie street, corner of Delancey street.

Though this was given more than a jvear since, Mr Reynolds, was a fow days ago at the office, where this remedy was obtained in full health and perfect possess in no fhis legs and feet, and though over sixty years old, stood up on his toes repeatedly to show the spectators how complete he was cured. This remedy, reaches and soothes the nerves, and allays pains most effectually on its first application, and by a few repetitions removes more effectually and speedily Rheumatic pains, than any other application was ever known to do: Its effects are powerful and immediate. Let those afflicted try it but once, and they must be convinced.

The Liniment is much counterfeited as to externa ooks, and the only test of genuiness is to full the fac simile signature of Comstock & Co. If that cannot be found its counterfeit. Buy only at Comstock's Branch Hone. No. 2, North 5th street, Philallelphia, an NDIAN VEGETABLE ELIXER & LINIMENT.—A
