NDIAN/EGETABLE ELINER & LINIMENT—A cure for Rhoumatic affections. This article penetrates to every nerve and sinew of the person using it, and it has attained a reputation unequalted by any other article in Rhoumatism. This will cure the most acvered cases—extend contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useles. We only need refer to some cases below to obtain the confidence of the public for these articles.

The following are two respectable, and the gentlemen too well known to require comment. Let them be read.

I have been afflicted most grievously since 1832 with Rheumatism and contraction of the cords of my legg-caused by the examps of the cholera, which I then had in its most severe form. After trying many remedies in vain, I have found relief—had the cords of my legg relaxed—the swelling reduced—and am gyzativ benefitted by the use of one bottle of Limimont, used externally and one bottle of Indian Vegetable Elixir, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all.

144 Chrystic streat copper of Delance, where this recovedy was obtained in full health and perfect possession of bis tegs and feet, and though over sixty years old, stood up on his toes repeatedly to show the spectators how complete he was cured. This remedy reach, es and soothers the nerves; and allays pains most effectually and speedily Rheumatic pains, than any other application, and by a few repetitions removes more effectually and speedily Rheumatic pains, than any other application was ever known to do. Its effects are powerful and immediate. Let those afflicted try it but once, and they must be convinced.

The Liniment is much counterfeited as to externa eoks, and the only test of genniness is to find the fac simile signature of Comstock & Co. If that cannot be found it is counterfeite. Buy only at Comstock's Branch House. No. 2, North 5th street, Philadelphia, and i Pottwille of NDIAN VEGETABLE ELIXER & LINIMENT .- A
