THE Post,-We have heard it rumored that the present head of the Roman Catholic Church. Pope Gregory the XVI, is labouring under painful apprehensions that some dreadful calamity is impending over that Church, and that he has in consequence, sent to his Bishops a form of prayer in reference to this point. Whether the rumor be well founded or not, we do not pretend to say, but we feel very confident that the present success of popery is the precursor of its total and final overthrow; and the Pope may hereafter be justly approhensive,-Press.

INDIAN VEGETABLE ELIXER & LINIMENT -A

INDIAN VEGETABLE ELIXER & LINIMENT.—A cure for Rheumatic affections. This article genetrates to every nerve and sinew of the person using it, and it has attained a reputation unequalized by any other article in Rheumatism. This will cyre the most severeases—estend contracted muscles, and bring feeling and sensibility to limbs leng paralyzed and uscless. We only need refer to some cases below to obtain the confidence of the public for these articles.

The following are two respectable, and the gentlement on well known to require comment. Let them be read. I have been afflicted most grievously since 1832 with Rheumatism and contraction of the cords of my legs caused by the cramps of the chelera, which I then had in its most severe form. After trying many remedies in vain. I have found relief—had the cords of my legs relaxed—the swelling reduced—and am greatly benefited by the use of one britle of Liniment, used externally and one bottle of Indian Vegetable Eliair, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all.

JAMES G. REYNOLDS.

Though this was given more than a year since, Mr. Reynolds, was a few days aco at the office, where this remedy was obtained in full health and perfect possession of his legs and feet, and though over sixty years old, stood up on his toes repeatedly to show the spectators how complete he was cured. This remedy reaches and soothes the nerves, and allays pains most effectually on its first application, and by a few repetitions removes more effectually and speedily Rheumatic pains, than any other application was ever known to do. Its effects are powerful and inmediate. Let those afflicted try it but once, and they must be convinced.

The Liniment is much counterfeited as to externa ooks, and the only test of genuiness is to find the facingle signature of Comstock & Co. If that cannot be found it acounterfeit. Buy only at Comstock's Branch House, No. 2, North 5th street, Philadelphia, and i Pottaville of Pottsville of Feb. 17, 7—ly J. S. C. MARTIN.

Most Extraordinary Cure: If any have doubts they may now dismiss them, and the most incredulous may consider Deafness as curable. Numerous cases of cures, and many of them very remarkable—by the use of "Scarpa's Oil," have been published, but this 'caps the clinax. Young or old may yet recover hearing. A lady in Smithield, Pennsylvania, and now about 80 years office had been gradually retting deaf for more than 49 years, so that it was next to impossible to make her hear conversation in the loudest tones of veice; Last winter she was induced to try 'Srajia's Oil for Deafness.' It is only necessary to add that she has used two bottles, and that her hearing is perfectly restored—she is cetted.

Deavess Curin.—The following extract from a letter written by Mr. Johnson of Bosten, to a friend in this city, is important.
