WRIGHT'S INDIAN VEGETABLE PILLS To descant upon their merits, at this late day, would seem to be wholly unnectssary, as very few indeed who read this article, will be found unacquainted with the real excellence of the medicine". Tr We publish the following letter from our Lite townsman, Mr. John Porter, who took his departure a few weeks since for the far west. We must however remark that we dissent from the writer with regard to his views on Sunday travelling. Instances may occur, where it bears hard upon the poor, but in nine cases out of ten, it is the poorer portion of the community employed on the public works, who are debarred the privilege of keeping the Sabbath day holy.
