Portens Creek, June Cth, 1844.

Dr. Steeting—Dear Sir.—I have the pleasure of being able to state that my daughter, who had been suffering undersevere Asthma for 5 or 6 years, has been entirely cured of that painful disease, by the use of six bottles of your Pulmonary Syrup. She was when first attacked with that complaint, only nine years of age, and suffered with it beyond all description, for the period of near six years, having an attack about, every three or four weeks. It was to all appearance, confined and immovable—we tried many medicines without any relief whatever. About this time, we heard of the superior efficacy of your Pulmonary Syrup and determined to give it a trial—we procured a dozen bottles of it; the first bottle relieved her very much, and by the time she had taken six bottles, she was perfectly circleti!! It is now three three years since then, and she has not had the slightest attack of he Asthma. She suffered so much when laboring unlet ithose attacks that we could hear her breath disnetly over the whole house—she was frequently near affocating, and we badiguide despaired of her recove—I give you the above statement of facts, that others

I give you the above statement of facts, that others tho may be afflicted with this awful disease, may sake use of the same means, and we feel assured that with the blessing of Providence, they will find permagnit relief.

Yours respectfully,

SAMUEL R. BUNNELL.

While at Woodston, N. I heard that she was greatly enefited, and in a fair way of a speedy recovery. No MEDICINE has ever been introduced to the A-merican Public, whose virtues have been more cheerfully and universally acknowleded, than the a-WRIGHT'S INDIAN VEGETABLE PILLS. To descant upon their merits, at this late day, would seem to be wholly unnecessary, as very few indeed, who read this article, will be found unacquainted with the real excellence of the medicine. But if further proof were wanting to establish the credit of this singular remedy; it meth be found in the fact that no medicine in the country has been so SHAMELESSIX COUNTERFEITED.

TNDIAN VEGETABLE ELINER & LINIMENT.—A COTO for Rheumatic affections. This article penetrates to every nerve and sinew of the person using it, and it has attained a reputation unequalled by any other article in Rheumatism. This will cute the most severe cases—extend contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useless. We only need refer to some cases below to obtain the confidence of the public for these articles.

The following active respectable, and the gentlemen too well known to require comment. Let them be read. I have been afflicted most grievously since 1832 with Rheumatism and contraction of the cords of my legs, caused by the cramps of the cholera, which I then had in its most severe form. After trying many remedies in vain, Thave found relief—had the cords of my legs relaxed—the swelling reduced—and am greatly by nefitted by the use of one bottle of Liniment, used externally and one bottle of Indian Vegetable Elixir, used internally at the same time! I can now walk with ease in po-

ted by the use of one bottle of Liniment, used externally and one bottle of Indian Vegetable Elixir, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all.

JAMES G. REVNOLDS,

144 Chrystic street, corner of Delancey street.

Though this was given more than a year since, Mr. Reynolds, was a few days ago at the office, where this remedy was obtained in full health and perfect possession of his legs and feet, and though over sixty years old, stood up on his loes repeatedly to show the spectators how complete he was cured. This remedy reaches and soothes the nerves, and allays pains most effectually on its first application, and by a few repetitions removes more effectually and speedily. Rheumatic pains, than any other application was ever known to do. Its effects are powerful and immediate. Let those afflicted try it but once, and they must be convinced.

The Liniment is much counterfeited as to external ooks, and the only test of genuiness is to find the fac simile signature of Constock's Co. If that cannot be found it is counterfeit. Buy only at Constock's Branch Rouse, No. 2, North 5th street, Philadelphia, and in Pottsville of ottsville of Feb. 17, 7—ly J. S. C. MARTIN
