CHOICE TEAS.

The New York Canton Tea Co ARE induced from the favor with which their Teas have been received in Philadelphia, and by numerous families in the Country, during the past season, to give a great more extended notice of the location of their Branches, which are at. 59 Chesnut street, 2d door below Third street, and 45 North Fifth street, a few doors below Race street. Their Agents are supplied weekly, with the choicest assortment of Green and Black Teas, of the latest importations. Their Teas, after a thorough trial of their qualities, by persons of great experience, are packed in a manner to exclude the air, and preserve their fragrance, and owing to the rigid test, to which, they are subjected, one unformity of quality is preserved. For the respective qualities they are believed to be the cheapest Teas in the Mar 2ct; and each package is warranted to contain full weigh. Independent of the wrapper.
