Their library was the Eastern merchant laden with pearls. I repeat, their nuptials, little anticipating that in the beautimoney is not wealth. ful land which they so eagerly journeyed to see, they should so soon encounter a premature and vio-ANECDOTES OF MR. SCARLETT, (LORD ABINlent death. I met them at Naples, but three days previously to the fatal event, and was so struck with the beauty of this illfated young woman, that uing his qualifications, and said, 'Really, there is that I inquired her name. Now that I hear coupnothing in a man getting so many verdicts, who led with a horrible death, I can hardly bring myalways has the luck to be on the right side of the self to think that one I so 'lately saw full of life. cause.' This reminds one of Partridge, in 1 on . and health, is indeed her, whose murder is the topic Iones,' who thought Garrick was a poor actor, for of every one I meet. The youth, personal attracany one could do all he did; He was nothing of tions and fond attachment of this young couple, an actor at all.' His weight with the court and have awakened a lively interestand regret in the minds of all who are acquainted with the sad tale son, when asked at what he rated Mr. Scarlett's of their deaths. They were on their return from value. 'A thirteenth juryman,' was the answer, Paestum attended only by a man servant, who was on the box of their ealeche, when three or four armed brigands stopped the carriage, and menanced them with death unless they immediately sider their verdict., He had defended a gentleman delivered their money and baggage. Mr. Hunt a . of tank and fortune against a charge of an atrofine spirited young man, was more disposed to ofcious description. He had performed his part with fer resistance than to comply with this demand ; even more than his accustomed zeal and skill .--but Mrs. Hunt; greatly alarmed, entreated him to , As soon as the judge had summed up he tied up rive them the bag of dollars, which was in the carhis papers deliberately, and, with a face smiling riage beneath their feet. His servant remonstrated and easy, but carefully turned towards the jury, with the brigands, who incensed at there interferhe rose and said, loud enough to be generally ence, violently struck him. Mr. Hunt stooped heard, that he was engaged to dinner, and in so down, whether to seize the bag of dollars, or fireclear a case there was no occasion for him to wait arms is not known ; the brigands thought the late what must be the certain event. He then retired, deliberately bowing to the court. The prosecu- Mrs. Hunt soing a robber take aim at her huster was his intention, and instantly fired at him. ting counsel were astonished at the excess of conband, threw herself latween them clasping him fidence or of effrontery, nor was it lost upon the in her arms, and, received two balls which pasjury, who began their deliberation. But one of the juniors having occasion to leave the court, both. sed from her person to his, mortally wounding found that all this confidence and fearlessness had < The brigands fled with their booty, and some never crossed its threshold, for behind the door peasants hearing the shot, came to the spot, and . stood Sir James Scarlett, trembling with anxiety, found the young couple nearly insensible, and welhis face the color of his brief, and awaiting the retering in their blood. They removed the husband ; sult of the clearest case in the world' in breathless to the next hat on the road, where he soon expisuspense .- The Law Review. red and took Mrs. Hunt back to the wretched abode Tur. Binns. - The New Haven (Conn.) Cou. at Paestum, which she had so lately quitted in the rier relates the following interesting incident, enjoyment of as mich happiness as falls to the lot led them well during the day, but I would not which occurred a few years since, in one of the of mortals. The melancholy intelligence soon, spread, and next day reached the residence of the villages of Connecticut :--worthy Miss White, an English maiden lady of "A young lady, confined to the house by protracted indisposition, was in the habit of freding advinced years, who inhabits a house of La Ca. a spatrow, which had a nest on a tree near the 153, and she soon set out on horse-back to offer her door, with crumbs of bread. The little creature services to het puhappy country woman. In the They ceased to cut off horses' tails, and break the had a warm heart under her homely dress and meanwhile, two young officers of the Revenge, legs of poultry. Rude boys would say to a youn-soon learned to love her patron, become exteribug-who had gong to see l'aestum, arrived there with-ger brother: 'Don't throw that stone, Bill when I by tame, and would hop about the table, while the in a short time of the fatal catastrophe, and underkilled the chicken last week, didn't they send it to family were at their meals. This was repeated took the fare of Mrs. Hunt on whom they waited, killed the chicken last week, didn't they send it to mother, because they thought chicken broth would be good for poor Mary? I should think yon would be ashamed to throw stones at *their* chickens.— be used ashamed to throw stones at *their* chickens.— be used to accompany ther, and har would be ashamed to throw stones at *their* chickens.— Thus was evil overcome with good, till not one she by upon a soft, scattered near her upon the house not far distant, but whence it would be dancarpet. In the fall one of them flew against the struct to rediove him. She then entreated to be triken to him similar light of her own wound, Years passed on and saw them thriving in window, and tried to get in, but the lady was too which was so soon to consign her to the grave. worldly substance, beyond their neighbors, yet beloved hy, all. From them the lawyer and the con- not admit her visitor to a farewell interview. \_ | and preserved a degree of cheerfulness to the last, stable obtained no fees. The sheriff stammered and Next spring they both came, as docide as ever.— apologized when he took their hardlearned goods in In the course of a few weeks, as the lady lay upon the asserted, by so grateful to her two kind course payment of the war tax. They mildly replied: the sofa, upon a Sunday morning, being too un- trymen; who nursed her as though she were "Tis a bad trade, friend. Examine it in the light well to go to Church, the house perfectly still, and of conscience and see, if it be not." But while the door open, she heard a great chirping and for her hushaid; congratulated berself upon hav-

gospel-their priesthood the inward light. There

were then no anti-slavery societies; but thus taught and revelentially willing to learn, they had no need orn.)-A country attorney perhaps paid him the of such agency, to discover that it was wicked to highest compliment once when he was undervalenslave. The efforts of peace societies had reached this secluded band only in broken echoes; and non-resistance societies, had no existence. But with the volume of the Prince of Peace, and hearts open to His influence, what need had they of pre-

ambles and resolutions? Rich in spiritual culture this little band started for the Far West. Their inward homes were jury was not unhappily expressed by another perblooming gardens; they made their outward in a wilderness. They were industrious and frugal, and all things prospered under their bands. But A remarkable instance is remembered, in Westsoon wolves came near the fold, in the shape of minster Hall, of his acting in the face of the jury reckless, unprincipled adventurers; believers in at the critical moment of their beginning to conforce and cunning, who acted according to their creed. The colony of practical Christian's spoke of their depredations in terms of gentle remonstrance; and repaid them with unvarying kind-

They-went farther-they openly announced: You may do us what evil you choose, we will return nothing but good.' Lawyers came into the neighborhood and offered their services to settle disputes. They enswered:

'We have no need of you. As neighbors, we ceive you in the most friendly spirit.' What will you do, if rascals burn your barns, nd steal your harvests?'

"We will return good for evil. We believe this bo the highest truth, and therefore the best exediency.'

When, the rascals heard this, they considered it marvellous good joke, and did many provoking things which to them seemed witty. Bars were

taken down in the night and cows let into the cornfields. The Christians repaired the damages s well as they could, put the cows into the barn, and at twilight drove them gently home, saying, Neighbor, your cows have been in my field, I have keep them all night lest the children should suffer

for their milk." If this was fun, they who planned the joke found no heart to laugh at it. By degrees a visible change came over these troublesome neighbors .-

was found to do them wilful injury.
