GETZ'S FORMS --Some years since. Mr. George Getz of Reading, prepared a volume of Leval forms, for various Instruments of Conyeyancing, Indentures, &c. which was remarkably well received, and gave very general satisfaction. The exhaustion of the edition, intimated to the author the propriety of preparing to meet the growing-demand, and he accordingly set himself down to improve his work--remodelling and rewiging, and adding to the contents. We have now before us the result of Mr. Getz's labors, and we are hanpy to spy; that in our opinion, they do great credit to his eare and attention. They work has been printed with the greatest cire, and is reeditable, in that respect to the laborality of the author and the mechanical skill of the printer.

To the Tax Payers of Schuylkill. To the Tax Payers of Schuylkill.

The County Commissioners consuler it important to call the attention of Tax Payers, to the provision of the 42d section of the act of 29th of April, 1814, which provides "That if any county shall pay into the State Treasury, its quoth of Tax fifteen days prior to the first day of August, in any year, such county shall be entitled to son abatement of five per cent on the amount so paid, and any State tax remaining unpaid by any individual or Corporation, after said tax is due, and payable by aid county to the Commonwealth, shall be ar an interest of six per cent, and be a lien on the estate on which it is charged, till fully paid and satisfied.

the estate on which it is charged, till fully paid and satisfied.

The advantage of paying the tax prior to that time, will be obvious, when it is known, that the result will be to save to the County Treasury, about one thousand dollars of the amount collected for State purposes.—We therefore hope that our citizens will take pride in ranking Schuylkill county, with other counties of the Commonwealth, which evence a disposition to falls their part, fowards the payment of the linerest due by the State, in August and February next, which can be done by paying their tax, on orbefore the 15th of July next. By adder of the Counties forers.

B.—The several Collectors of County treasury, on the 15th of July next. all taxes they may have collected by that time; all those collectors who are in arrears, from former years, are particularly requested to call on or before the above ammed day, and pay over to the county Treasurer, the amounts yet due on their duplicate, otherwise they will, be proceeded against and dealt with according to law.

To fine the control of the County treasury, and the subject to the county Treasurer, the amounts yet due on their duplicate, otherwise they will, be proceeded against and dealt with according to law.

THAT agreeably to the recommendation of the court, I they have visited the House for the support and employment of the poor of said county, and take pleasure in stating, that although their visit was unexpected to the Steward. They found everything in most admirable order and condition. The house appears to be kept remarkably clean and every attention paid to the health, convenience and comfort of its unfortunate inmates. nates.
It is with more than ordinary satisfaction, that we It is with more than ordinary satisfaction, that we can state, that the people of Schuylkill County, can congratulate themselves that they have it in their power to support their poor, in a decent, comfortable and himane humaner, and that the agents employed for that purpose, are competent and willing to perform their duty in all respects.

The Inquest aforessid are of opinion, that the room now occupied for a hitchen larmuch too small and inconvenient and ought to be speciate and distinct from the main building; the present kirchen might be converted, into a dining or sitting room, which is absolutely required for the mile paupers. Therefore we recommend the building of a proper size, seperate and distinct from the main building, for a kitchen.

Respectfully submitted
