We are happy in being able to announce the publication of Major Getz's new selftion of his Forms of Conveyawing. In our humble estimation it is decidedly superior to any thing of the kind ever offered to the public. The lawyer, the Conveyancer and the man of business, will derive such assistance and information from this volume, "splendidly got up." that it must soon find its way into their abray as a valuable acquisition; in fact, no personi engaged in business will seek its pares unrequited for the very small sum he may expend in procuring it.

The subscriber intends to keep what is strictly called a "one price store," and to sell all his goods at Package or Auction cost prices for nett cash, or on time for approved credit, and will then add 5 per cent to the bill for the credit. THE County Commissioners consider it important to call the attention of Tax Payers, to the provision of the 42d section of the act, of 20th of April, 1844, which provides "That if any county shall pay into the State Treasury, its quota of Tax fifteen days prior to the first day of August, in any year, such county shall be entitled to an abatement of five per cent on the amount so paid, and any State tax remaining unpaid by any individual or Corporation, after said tax is due, and payable by said county to the Coumonwealth, shall bear an interest of six per cent, and be a lien on the estate on which it is charged, till fully paid and satisfied.

the estate on which it is charged, till fully paid and satisfied.

The advantage of paying the tax prior to that time, will be obvious, when it is known, that the result will be to save to the County Treasury, about one thousand dollars of the amount collected for State purposes.—We therefore hope that our citizens will take pride in ranking Schuylkill county, with other counties of the Commonwealth, which evince a disposition to fulfit their part, towards the payment of the interest due by the State, in August and February next, which can be done by paying their tax, on orbefore the 15th of July next. By order of the Coumissioners.

N. B.-. The several Collectors of County and State taxes, are requested to pay into the County treasury, on the 15th of July next, all taxes they may have collected by that time; all those collectors who are in arrears, from former years, are particularly requested to call on or before the abuve named day, and pay over to the county. Treasurer, the amounts yet, due on their duplicate, otherwise they will be proceeded against, and dealt with according to law.
