

POTTSVILLE.

Saturday Morning, July 19, 1846.

VOLNEY B. PALMER, At his Real Estate and Coal Agency, Corner of Third and Chesnut Streets, Philadelphia, No. 105, Nassau Street, New York.

LIFE INSURANCE. This kind of insurance is beginning to attract considerable attention in this country.

WANTED. At this office a boy about fifteen years of age, who can read and write well, as an apprentice to the Book-Binding business.

Doct. Faucett's Advertisement, or any other of a similar character, cannot be published in the Miners' Journal at any price.

PHILADELPHIA ADVERTISEMENTS. We refer our Merchants to the advertisement of Mr. Thomas L. Evans, offering Boots & Shoes for sale by the package very cheap.

The late period at which we received the Rev. Mr. Lore's Articles, and its length, has crowded out a number of articles, intended for this week's paper.

Information is wanted of Martin Muldowny, son of John and July Muldowny, formerly of Castle Comar, county of Kilkenny, Ireland.

Sons of Temperance. The purpose of this new order is purely benevolent, and we are glad to see it growing into strength.

Jenkins' Sober Musicale. Mr. Jenkins, assisted by Miss Eliza Moore and Miss A. Shaw, will give a Musical Entertainment at the Town Hall this evening.

It is rumored that the Hon. James Buchanan, has, or will resign the Secretary of State.

Free Trade Cabinet. A lad, aged about 17, (we have not been able to learn his name) a driver on the Mine Hill Railroad, unfortunately went to sleep on the bumper in front of one of the cars on Tuesday morning.

DEATH IN THE MINE. A melancholy accident occurred in Messrs. Milnes Heywood & Co's mines, at the "West West" on the 15th.

On the same day, about two hours previous to the occurrence of the above mentioned accident, Michael Haley, was severely, but it is thought not fatally, injured by a fall of coal in another mine.

Wheeler! Wheeler! O for a lodge in some vast wilderness, some boundless contiguity of shade!

THE FALL ELECTION. The preparations which are making for the Fall Elections in most of the counties through the State remind us that it is drawing to a close.

THE FARMER'S LIBRARY, a monthly Journal of Agriculture, No. 1. Edited by J. S. Skinner, New York, Greely & McElrath.

IN 1819, more than 26 years ago, Mr. Skinner commenced the publication of the American Farmer, in Baltimore this was, we believe, the first paper in this country devoted to agriculture.

Since that period numerous similar publications, devoted to the great subject have sprung up in the country, and some of them are conducted with eminent ability.

All sorts of Items. One hundred guns were fired at Charleston in consequence of Annexation.

CHESAPEAKE AND OHIO CANAL. The repairs on this work, says the Williamsport Banner, have been completed, and on Thursday last, the waters were let in.

THE PHILADELPHIA RAILROAD COMPANY has finally refused to let the magnetic Telegraph run along their track.

A London paper says that in the year 1843, more than 28,000,000 were expended by the people of Great Britain in tobacco.

THE WHIGS OF GEORGIA have nominated George W. Crawford as their candidate for Governor.

A court martial was convened last Monday, the 7th inst. on Governor's Island, for the trial of Captain McKenzie, for a breach of discipline.

Polly Bodine is to have a new trial. W. C. Bryant, the editor of the Evening Post, is enjoying himself in England.

THE HON. MR. WINthrop gave the following toast at Boston, on the 4th: "Our country—however bounded, still our country—to be defended by all our hands."

THE BANKS IN CINCINNATI have resolved not to receive Spanish shillings for more than 10 cents each piece.

THE EVENING POST says Mr. Bancroft's eulogy of General Jackson, that it does not display the labor and research of the faithful historian.

IT IS ESTIMATED that they are now in progress of erecting within the limits of Pennsylvania about one hundred new iron furnaces.

THE GLAZING ARGUS announces that the Electric Telegraph is to be laid down between Glasgow and Edinburgh.

THE DELAWARE AND RARITAN CANAL AND CANON and Ambly Railroad and Transportation Company has declared a semi-annual dividend of four per cent.

THEY WERE DEPOSITED in the various Savings Banks in the city of New York, on the 30th, of last month, about \$100,000.

AMERICAN CUTLERY. The manufacture of fine cutlery is coming to great perfection in this country, and has indeed already reached it, in various establishments in the United States.

SOME VERY SUPERB CUTLERY was displayed upon a public table in this city, which became the admiration of the gentlemen seated around it.

NEW FURNACE. The Lancaster Journal says it is understood that a large steam anthracite Furnace will shortly be erected at Safe Harbor, near the mouth of the Conestoga.

A CENTURY. There is a clock on one of the tables of Washington Hall, Cincinnati, bearing the following inscription.

EULOGY ON GEN. ANDREW JACKSON, Pronounced on the 10th of July, 1846, at POTTSVILLE.

By the Rev. D. D. Lore. We are assembled, my countrymen, in vast numbers, to pay the tribute that true goodness demands of Justice.
