Hobensack, on the label, pasted on the bottle. The following certificates are amongst the many in our possession.

Prilling Lee, 19th, 1814.

Messrs, Hobensack: In compliance with your request, I send you these few lines, certifying that I obtained a boilfe off-our Medicated Worm Symbor my son, a lad I wears of age, who as I am toon fident, was severel afflicted with Worms, sail surprising to tell; he fughal immediate relief. I would therefore recommed it to the public set as a sand effectual remedy for children afflicted with Worms. Yours, & Rev John S. Ciernary, Eight street, four dones below Green.

Philaba., March 26th. 1846.

This is to derify that some two or three weeks since, two of my children were attacked with Worms—I tried credy remedy that I knew or heard sell, of, but without any effect, they still growing worse and worse, until the disease had obtained an alarming and ratrat, character; so much so, that I and all who saw them felt satisfied that DEATH would close the scene it relief was not immediately obtained. One of the children presented a fearful picture of diseases and buffering, she was interally alive with worms; herrountanance had a pallid and death-like hue; herbreath was extremely offensive; her frame wore away to a mere skeleton, and all the symptoms altendard unea worms were of a highly aggravated character. To such a fearful extent did the disease arrive, that she actually bassed worms from her noise, believed by copious and alarming bleeding. It was aligned the could be assed from her noise, believed by copious and alarming bleeding. It was aligned the two worderful to say, after a lew dozes, agreet change was perceptible, and in a few days, to my utter astonishment, the two-children passed a large was basin full of worms; since that time they rapidly recovered, and are now perfectly cured.
