to be inefficacious in expelling worms from the system.

This Vermiling the made its way into public favous upon the ground of its own intrinsic merits, mere than any other medicine of the kind now used; and, while many worm; remedies have by dint of puffing been forced into sale, and shortly after gone into the obscurity which there worthlessness justly merited, B. A. Flamespock's Vermiling continues to be triumphantily sustained. It has only to be used and its effects will fully sustain all that is said of its, wonderful expelling power.

Certificate. Wales, E. Co., New Y., Jan, 7, 1843.

We certify that we have used B. A Fahnestock's Vermifuge in only families, and in every case it has provided a decided and effectual remedy for expeling worms from the system. We cordially recommendate to parents who have children afflicted with that dangerous emission.
